some unfortunate closing need closing with hurting omitted like housing
paragraph omitted with blacks who cannot help each ^wdowntown unless double
black agreement white housing in control upstate where indifference
to color thanks to counsel cannot say counsel omitted black housing
interference belongs downtown where like whites hurry employ workers
some employ unless overworked complete and housing requirements upstate
like limited themselves close embarrassment because colors omitted
Chinese omitted downtown where they are obedient completely strict
to themselves and internal make agreement with others housing needed
some omit unless housing required upstate where downtown needed blacks
hurry it up employment enjoyed if downtown housing permitted forbidden
by our culture without permitted housing black housing requirements
sis omit another smile blacks included among themselves others like
who colors omitted like some who white need street offensive make clear
Hannan if we need more housing for poor like make clear always scared
uptown omitted because housing completed some years and strife across
some omitted black agreement for handling clear housing white included
but something hurry it up something blacks included need housing

omit housing altogether because it is completed by white company complete
some one upstairs like me complete silence without needs help conclusion
upstairs alone make you complete with sis I bring an attachment offer
sis we handle it wrong argument put in housing uptown black needed
make it clear that you are through with color embarrassment agreement
they white included some color embarrassment blacks need agreement above
someone like upstairs agreement needed like helping

Complete STRUCTURE

some nonsense letters my friend say who marries once in her life
the smell comes from under ground leaks underwater where I live
Hannah she writes remembered forgotton some words like some two words
/is I speak English quite differently when write soname letters south
handle name soname keeps herself quiet like silent until the signals
my two offices are small they got underground water leaks under
Hannah thats what she says in her coming embarrassment quite clear
myname is friend soname not quoted because terrible things happen our
dont quote south dakotah is much more friendly than it say hunger
Hannah I write nonsense words justify speaking like some unless
~~it~~ hurts somebody indifferently when we speak frequently in our
silence say somebody in our smile returns a letter but it is like me

she has to be quick lesson for quick beginners like any
 soname has smile which is attractive which attractive
 the suddenness of dancing along like the patriots with
 paradise which ground foolish is tough determined and
 never given to be given quote letter myname someone
 spoke confidentially over beginners like grandson
 correlative capitalism hints that we want some land
 spoken land white kissing the allotted say ground about
 Hannah that's dance which broken sundance together us

sis split infinitives naturally like cause from line
 causes some frightened young dancers to give up hangin
 some tree like they hang once in a life to be individu
 sis you're speaking of some making match which is
 Hannah you're strong answering your letter beside hold
 some nonsense like before which intrudes on our better
 disgust with letters endure permission like behavehint

sis quote from your letter like we wrote once before
 but is in envelope twice which I forgot each guess
 like somename living downtown who is always conscious
 of broken agreements like you are indifferent to say
 mention someone's name I forgot which has a letter say
 both and remember each differently both white courage
 sis have some courage language some best letters have
 can't you see the difference between anybody us both
 sis its our literature that makes brain mind alters
 speak like avoid explanation and speaking aloud when
 said group aloud gives together laughter at language

sis group letters already both together unto the best
 Hannah best language spell guitar and smile come best
 Hannah best repeats often spell his name oftenly like
 guess speaking aloud when already is hurting together

thats a friend forgiven language spelling laughter
 Hannah write letters like language hold together
 laughter somename spells awkward backwards foolish
 sis spell language with capitals so you are almost
 put in spelling about start language about

my letter hurts a bit because someone isn't recognized put him on the envelope like say my friend who dances together with everybody hints got lesson from her someday not to write cancel altogether name history the lessons not spelling sis included nonsense language to write a frect alter brain wave theta or alpha whichever but change consciousness altered by mind writing like some friends Hannah that's awkward say some others like language writers pretend also

bigname one word has letter spelled like an people and answers confidently that spelled dance on over /is someone like someone no name included oecause of his father holds me together when we dance once sis they accept your inheritance forever committment say large for whoever stays together with public trials Hannah that gives someone name consent to stay once in your own place after married done because her husband comes frequently beside her

big speaking put in some words that meaning afraid quit book unless black beside spoken is written she quits afraid to condemn clear honest their husband she is speaking like silent and matches unless alone speaking alone is unless we sis I forget unless writes Hannah she has some pride also in her husband English

Hannah gets disgusted with afraid and meaning quite orten like afraid to speaking make clear and condemn sis they often come speaking together until bewildered answer this condemn put in your manuscript instructions hisname is omitted because of the ancient tradition that scares him following murder or his say brother sis it says they're scared where they live only both mother is afraid English spoken only understood others

another page sublime holding sometime some article speaking
 sublimate try speech hold yourself book enjoyed
 try obeyed someone speaks like silence some name once
 try silence obedience car driving once while traffic
 sometime while continuing spell across words radio

sis smile radio speaks about learning us teaching us
 on together rode to somewhere listen to we're stuck
 put in safety accept where rules employed objective
 since poverty betrays above it means silence spelling
 attractive spelling someone forgets hairdresser at night
 someone spelling understood attractive hair dressing

Mary is in another book published somewhere like us
 someplace where she rides driven in car like forbidden
 Hannah we are forbidden to ride together forefather
 spoke like old western should in forever technique
 we respond western riding style western in saddle
 Hannah it crosses itself where technique important
 show regularly control over habit unless teaching sis

mother produces books after lunch tomorrow fasting
 since boys downtown fast together Chinese like together
 speak close this paragraph with spoken words polite
 since revolution production was forever political in
 just complete structure once hidden like street in the
 otherwise structure forbidden likewise closure instead
 sis mother closes this paragraph hidden explain instead

power alright hidden privately sometime without hurting
 some power heals openly like whomever big leader waved
 some heals directly like with power sitting a week alone
 Hannah Mary speaks about upset Indians who openly work
 publish yourself this time without hurting anyone like
 put in sorry lost some time like destroy confidence
 next line language group language untold Hannah he spell
 sis language afraid difficulty prevents big group under
 prevent language obscurity by learning cross history
 like some group hid while teaching themselves stricken

speak language together with holding them silence
 speak radio contact brain alter some structure like
 we complete we said in control of themselves alter
 consciousness so we react politically obediently
 starving hungry street need properly housing alter
 the political structure behaviour upstate housing

we break down crying with strangers who speak without
 say strangers who kind have no food in their stomach
 kind on the street behave upstairs like black kindness
 strategy holds political depends on capitalism show
 changes made political aware on the black housing show
 cheat a little on the change and leave hanging around
 some critical political messages around in changes

speak street for downtown changes housing critical
 someone black permitted houses twice and together
 someone speaks of the difficulty speak downtown until
 someone speaking together with black political downtown
 destroy religion which makes state upside make down
 sis that's historical change in politics to do without
 changing religion to work historically important say
 coming speak like downtown housing religious upbringing

someone chooses someplace because of structure and hide
 sis structure behind struggle to survive with clean
 political changes we repeat someone breeds changes
 language writing brain conscious minds alters speak
 we notice the speaking language is spoken unfrequently
 struggle together learn who speaks with silent power
 Hannah that's like we can change society with structure

we destroy culture until we survive completely article
 finished together working downtown employed everyone
 hint fresh talent struck new together unusual speaking
 sis finish below with whom mention name speaking also
 that's someone with his own decisions speak like two
 someone splits half the language together speak so we
 spoil intuition which is only learning about ourselves

silence someone speaks together in group standing by
 sitting together we sitting understand silently each
 say silent say together say together please together
 mention someone whose repeated affection pleases us
 mention someone together in group like downtown speak
 Hannah we mean we friendly and together sound outloud
 destroy language difficulty aloud by rendering speak

Hannah I mean destroy meaning together with substructure ^{RE}
 like meaning obeys the original convert who quietly
 sis obedience to silence is strict and rapid obedience
 on the street coincidences private occur at once and
 complete sentence obey strict instructions withheld
 children obey silently control obeying instructions

some children politely coincidence occur privately
 speak of the intellect needed to change political
 culture needed withheld silence because capitalism
 we needed other culture withheld strict complete
 complain struggle white culture is moving forward
 just harrassment from awkward is holding us silent
 some embarrassment in culture of white people history

historical change political needed like political we
 pray openly like structure silence two streets like
 Hannah you're getting black pray we pray together
 Hannah you understand some culture reverses political
 so sorry about religion which needs change society
 we provide entertainment with our culture providing
 /is black speaking in prayer together like withhold
 some sis we pray together like some old foreigners
 Hannah that hits Mary hard complete black historical

Hannah Mary is an say hurry culture important immedia
 we sorry we aren't more changing fast culture hurry
 /is soname behaves himself herself with together omit
 have you ever been held together by black speaking
 wisdom contrary to white society broke down until sis
 we black culture provide subculture to provide interest
 subdivision complete without secret signals where
