### MEDIA ADVISORY

EVENT: UCSD Urban Studies and Planning Program presents a free public lecture by Oscar Newman, internationally known architect and urban planner.

DATE: Friday, May 13, 1988

TIME: 3-4:30 p.m.

LOCATION: Third College Lecture Hall 107

REMARKS: Oscar Newman, the author of books on urban design, crime prevention and innovative housing will speak on "Defensible Space: Creating Communities of Interest Through Urban Design." Newman's work on ethnic community architecture, housing and crime prevention through urban design is internationally known. He is currently with the Institute for Community Design Analysis in New York City and a former Professor of Architecture with Columbia University.

MEDIA AVAILABILITY: Newman will be available immediately following his remarks.
