Shooting Pictures at Ocean Village

W. M. FOX CO., is shown here taking pictures at Ocean Village. Because of its picturesque setting Ocean Village is often the scene of movie thrillers and is popular with the stars as a place of relaxation and comfort. You will like it, too!

At left is shown a double suite--2 bedrooms, dinette and bath.

DIFFERENT sizes to accommodate from four to six people, equipped with hot water, tub baths, shower baths, carpeted floors with fireplaces. Same type of bungalettes in singles with or without kitchenette.

Below is seen the lounge and lobby where there is a big open fireplace, excellent reading rooms, card tables, radio, etc. A maple dance floor for the guests makes dancing a delight. The lounge is always open to the guests.

HOTEL BUNGALETTES

In Singles or Suites, With or Without Dinettes:
Sound proof construction, Tiffany stuccoed walls. Beautifully decorated and unusually well furnished, tub or shower bath, fireplace, hot and cold water, gas and electricity, hotel maid service. Located directly over the surf.

"Seems Like Hawaii"

THE breakers and beach line here are often remarked to be similar in many respects to scenery and atmosphere of the Hawaiian Islands. The breakers are far out from the shore line and the spacious sandy beach has an attraction not found at other beach resorts.

Amusements

Fishing— Boating—
Swimming— Golf

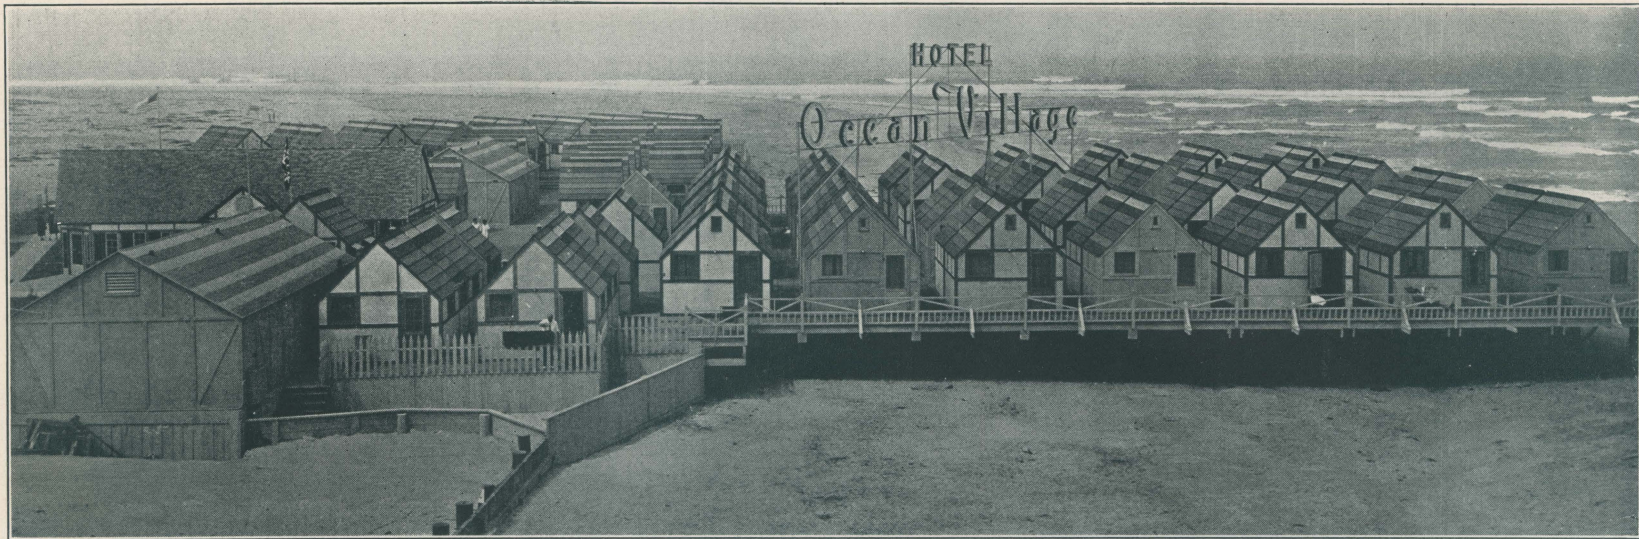

Between Two Amusements— Ocean Village is within walking distance of San Diego's two best amusement centers — Ocean Beach on the South and Mission Beach on the North. Guests of Ocean Village are privileged to use one of San Diego's finest golf courses.

DIRECTIONS

Follow Coast Highway from Los Angeles through La Jolla. Approaching San Diego at Pacific Beach drive straight ahead through Mission Beach to Ocean Beach and over the bridge to Ocean Village

The entire **OCEAN VILLAGE** is built on a pier over the sand and beach, which makes it utmost clean, free from insects and sand. Every house is built on English design, stucco finish and trimmed in different colors, giving it an inviting, picturesque effect. All sound-proof construction. Cool in summer and warm in winter.
