San Diego Exposition now open. Will not close until December 31, 1915.

San Francisco Exposition now open. Will remain open until December 4, 1915.

On your way to **California** and the World Expositions you should stop and visit such interesting places as Colorado Springs, Santa Fe, Grand Canyon of Arizona, Petrified Forest and ancient Indian Pueblos. Then just a short ride from San Francisco is Yosemite Valley and the big trees.

Any Santa Fe representative will be glad to send you Exposition Folders; also those telling what you see en route.
