Nature's Statue of Liberty at La Jolla.

YOU find here the most rugged, picturesque scenery on the Pacific Coast. Here are the seven Mammoth Caves, carved from the Giant Cliffs by the hand of nature; also Cathedral Rock, Alligator Head and Gold-fish Point.

The Sub-Marine Gardens, viewed from a Glass-bottomed Boat, through which you can see gold-fish feeding among the rainbow-tinted shells and gorgeously colored sea-mosses and rocks, are magnificent.

The Caves can be entered and explored at low tide.
