PETITION TO ESTABLISH A UCSD LGBT RESOURCE CENTER
ATTENTION: UCSD CHANCELLOR ROBERT DYNES

We are concerned that lesbian, gay, bisexual and transgender members of the UCSD community have unique needs. While we acknowledge that the Chancellor's Office has been supportive toward LGBT issues, we also know that currently University facilities and programs are insufficient to serve these needs completely. We request that the University of California, San Diego establish a professionally staffed Lesbian, Gay, Bisexual and Transgender (LGBT) Resource Center to support LGBT students, faculty and staff, to be located in the University Center area of campus at the earliest opportunity. This will bring UCSD in line with its sister campuses and help meet the University's commitment to diversity. This recommendation is entirely consistent with the UCSD Diversity Commission report and it is supported by the Chancellor's Advisory Committee on LGBT issues, the LGBT (student) organizations and many other members of the UCSD community. Thank you for your attention to this petition.

DATE: 09/11/98
CC: Associate Chancellor Kirkpatrick, Sarah Archibald, Jon Welch

This is a transmittal letter for submission of the Proposal to Establish a Lesbian, Gay, Bisexual, Transgender Resource Center at UCSD.
