## FOREIGN EXCHANGE 2

Last time you learned how to convert kina to Australian dollars and Japanese Yen. This week you will learn more about converting kina to three other foreign currencies.

You will learn about converting kina to:-

4. British pounds - symbol - (£)
5. France francs - symbol - (fr)
6. West Germany Mark - symbol - (d/Mark)

### 4. Changing kina to British Pounds (£)

Like the dollars and the Yen, the banks also have a rate for changing kina to pounds.

#### KINA RATE

$$\begin{aligned} \text{K1.00} &= \text{£}1.1060 \\ 100 \text{ pence} &= \text{£}1 \end{aligned}$$

Example 1: Given the above exchange rate, find K91 equivalent to pound (£).

Working:

$$\begin{aligned} \text{Since K1.00} &= \text{£}1.1060 \\ \text{K91} &= 91 \times \text{£}1.1060 \\ &= 100.646 \\ &= \text{£}100.65 \end{aligned}$$

### 5. Changing kina to French Francs

#### KINA RATE

$$\begin{aligned} \text{K1.00} &= \text{fr } 9.466 \\ 100 \text{ centimes} &= \text{fr}1 \end{aligned}$$

Example 2: If K1.00 = fr. 9.466, how much is K814 in francs?

$$\begin{aligned} \text{Working: Since K1.00} &= \text{fr } 9.466 \\ \text{K814} &= 814 \times 9.466 \\ &= 7705.324 \\ &= \text{fr}7705.32 \end{aligned}$$

### 6. Changing Kina to West Germany Mark.

#### KINA RATE

$$\begin{aligned} \text{K1.00} &= \text{d/Mark } 3.089 \\ 100 \text{ penning} &= 1 \text{ mark} \end{aligned}$$

Example 3. A West Germany man wishes to return to Germany after working for sometimes in Papua New Guinea. He has K500 which he wish to change to Marks. How much is this amount in Marks.

Working:

$$\begin{aligned} \text{Since K1.00} &= \text{Mar } 3.089, \\ \text{K500} &= 500 \times \text{Mark } 3.089 \\ &= \text{Mark } 1544.50 \end{aligned}$$

You have now seen examples of changing

1. kina to pounds
2. kina to francs and
3. kina to Marks.

By using the given exchange rates, above, change the kina into foreign money as follows:

#### ACTIVITY:

1. Bepi is going to England for a training course. He has a cheque worth K715.00. How much is the amount in British pounds.

2. Jack has K412. How much is this amount in (i) mark? (ii) francs?

Workings:

(i)

(ii)

3. Mary has K603.00. She sends £229.95 in bank cheque to England to pay for this camera.

ANSWERS

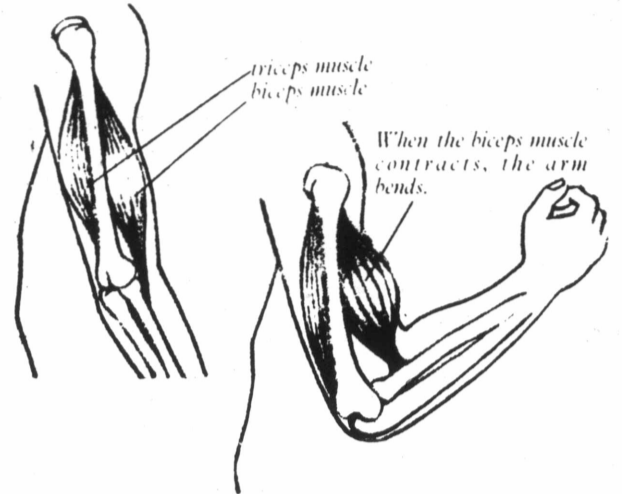

## What is the cause of all these movements?

Answer this question by looking at the picture of this heavy weight lifter.

this is how the muscles make your arm move.

The muscles which help your lower arm move are the TRICEPS and BICEPS muscles.

## Try these activities to check how the muscles make your arm move.

A. Bend your arm and make your arm muscles as big as you can. Can you feel the movement of your muscles? How many muscles are being used to work the elbow joint? Feel where they are fixed in your arm.

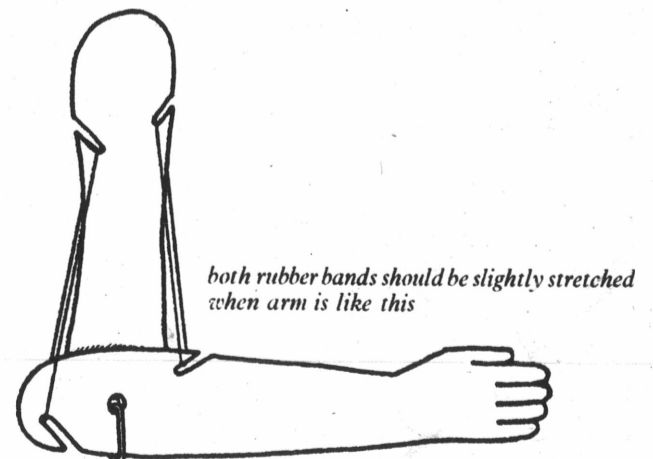

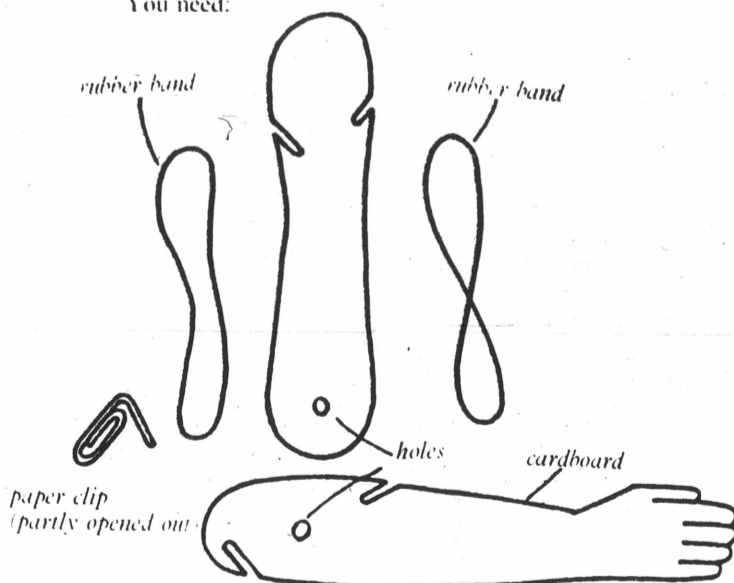

B. Hold your upper arm tightly and move your lower arm up and down. Can you feel the muscles pulling?

- (i) Which muscles do you use to keep your elbow stiff when pushing against something?
- (ii) Which muscle contracts when the lower arm moves downwards and which contracts when it moves upwards?
- (iii) Lift up a chair. Which of the arm muscles move?

## FIND OUT HOW YOUR MUSCLES HELP TO MAKE YOUR ARM MOVE BY MAKING A MODEL ARM

A. Make a model arm and check movements of your arm.

You need:

Make your model arm work by shortening one of the rubber bands. What happens to the other rubber band? Does your arm seem to work like your model?

Answer:

- A. Two muscles  
 B. Yes, (i) Tricep muscles (ii) Tricep muscle contracts when the lower arm moves downwards and tricep muscle contracts when the arm moves upwards. (iii) Bicep muscles.

- (2). A. The other rubber band stretches and expands. Yes.

# NEWS

Season 84 Issue Number 20 — 15th September.

## Zone clash is on

Ismael Marabui

**Rugby League fans throughout the country will be turning their attention once more to Port Moresby where the annual Cambridge National championships is to be held during the independence weekend.**

Already, last year's runners-up, Highlands zone, are leading the race for the prestigious Danny Leahy trophy having scored two wins out of two at the Kumul trials, in Lae. They appear certain victors over Northern zone select team in the opening match on Saturday.

Southern zone, would be making its last stance at retaining the crown they

won last year. A loss for them would blur their chances of meeting Highlands zone in the finals on Monday.

Spectators will have the opportunity to judge for themselves who the best Papua New Guinean five eight is. Ifisoe Segeyaro will be trying to show his class against present Kumul, Gesau Gebob from Southern and Northern's Tony Seeto.

The championships may also see the last of southern captain, Tara Gau. Tara hinted early this week that he feels his day are numbered and that this might be his last representative football.

Northern zone will be fielding several past and present

Kumul. They have Roy Heni, Robert Jackies, Tony Seeto and Bob Tolick.

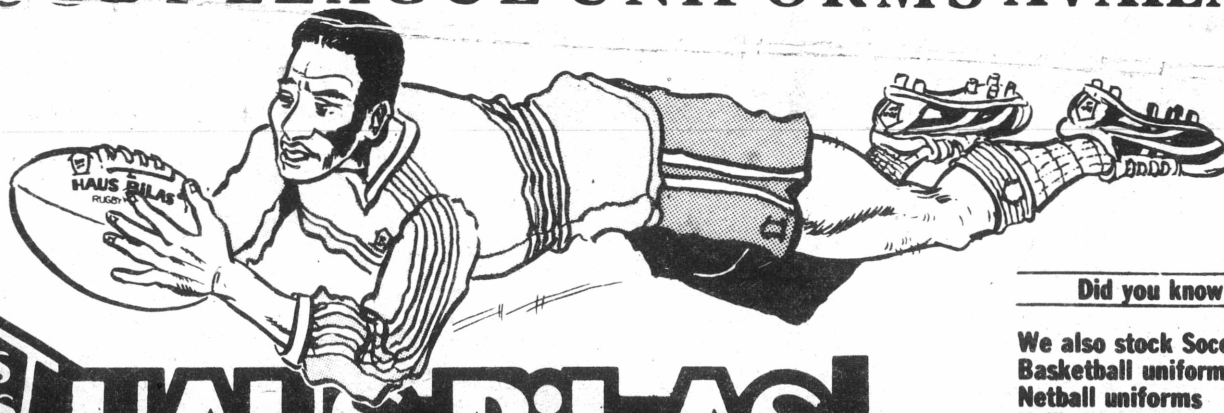

Islands will boast seasonal players like Kungas Kuveu, Alan Reno and Jimmy Peters. Jimmy Peters is an elusive player in the backline and failure to contain him spells disaster for the opponents.

Southern zone has Arebo Taumaku, Gesau Gebob, Tara Gau, Poka Kila and Mathias Kitimon.

While the Highlands zone brand of football will not fail to keep the crowd on its toes. They have Joe Tep, Robert Kubak, Pora Wek, Ifisoe Segeyaro, Fleming Asorifa, and John Joseph to confirm that a very entertaining weekend is in store for spectators.

**Rugby League News: Man of the Match Tarangau's Clement Mou enjoys his ride on the shoulder of his fans after winning against DCA last Sunday in Port Moresby.**

## '84 Season'

Rugby League News pages for the 1984 season featured quite a number of Papua New Guinea's greatest league players.

The stories, blended with pictures of Port Moresby's outstanding players: Roy Loitive, Arebo Taumaku, Poka kila, Daroa Ben Moide, Norbert Bulumaris, Tara Gau, Wallen Laipen, and many others, have spelt a good season for players and spectators in Port Moresby.

This season has been marked for Tara Gau. With a prize car, Datsun 1200 donated to PMRFL then to Gau will be told as the story for season '84.

Lack of genuine interest from leagues or league officials in other centres was one of several reasons Rugby League News failed to focus on great league players around the country.

Thanks to Arthur Hetherington in Madang, and Madang League Officials, that we learnt of youngster Tony Seeto and other Madang gunners like, Augustine Bauda, Chris Kaukesa and Neng Bopi.

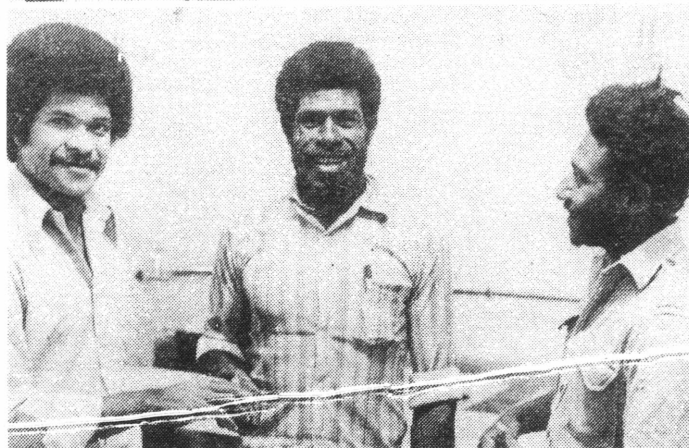

Lae reported could have been much better this season; and if a few releases have originated from an officials desk, I'm sure Consort Brothers' Kauke Kapo and Isofa Falaniko will fight even harder to stay in the competition.

Over in Goroka, Lamana Tigers had major victory over top contender, Gouna Hawks while in Rabaul, NGIP Muruks are celebrating their grand final win against Crusaders.

In short, this season has been great fun. There has been moments of sadness, joy, and some not too funny occasions.

Lets go over again some of our big names in the business as they fight in action. Next year we shall hope for more up and coming players and a bright focus for contenders in our provinsal league pages.

Benny Bogg  
Editor.

\* Word staff member Leila Gilchrist congratulates Hetai Urulu who supports DCA. He receives K5. \* Right Jimmy John shakes nd gives K5 to Dick Moide. Moide supports Tarangau. Alfred Kaniniba (left) hands over K5 to Joseph Karu who won the latest competition.

## Mou, Doko and Gebob Take The Prize

Rugby League New's man of the match award goes to Tarangau's Clement Mou. RLN gave K50 bonus to Tarangau's Mou as prize paid for his excellent effort displayed in the major final match played against DCA in Port Moresby last weekend.

Clement Mou scored three out of six tries which motivated Tarangau into winning the 1984 Port Moresby premier-ship title.

Clement Mou is probably the fastest centre in Port Moresby's competition and his services have been one factor that has

determined the outcome of the final.

Another Tarangau - Gessau Gebob and DCA's Iru Doko have both won a return trip to Guam. The award, provided by the South Pacific Islands Airways were given to both five-eight named as the best and fairest man in the final match.

Iru Doko has great talents in the pivot division and is a threat to Kumuls Gessau Gebob. Doko has just to keep playing to get a Kumul jersey and it is not that far off.

Good luck old boys!

## Enga Souths still leading

With the second round ending shortly and the finals coming round the bend, Highlands students rugby league is reaching its climax drawing spectators in the pack the campus sports oval in Lae.

Premiers Enga Souths, now comfortably lead the competition with 11 points. Simbu Kela's are running second on 9 points, followed by KBK East on 6 and West Kanges bringing up the rear with 4.

Enga Souths, are skippered by hall back, Kelly "Mastermark" Aiyok, who once was Consort

Brothers John Kapo's shadow half and who now is the main contender for Brothers number 7 jersey if Kapo decide to step down.

Aiyok was the master mind behind Enga Souths premiership campaign last year and he stands out especially when team coordination is desired. This type of play has resulted in the wins that his team scored lately.

Assisting Aiyok is star utility Roland Payaro who is known for his powerful defence and clever footwork which create many gaps in his opponents defence.

# Tarangau Says 'No Sweet Surrender'

**The big match has proved that 'surrender' is not a word in the book of meanings for Tarangau.**

**"We have never heard of the word surrender. What does it mean?" Daroa Ben Moide Jr.**

### Benny Bogg

By the way Tarangau played this particular match against a much more surer side, Wopa DCA, anyone could pick up the pattern. Tarangau is not to retreat. Tarangau has come from the fifth with a will to get to the apex and nothing was seen by them as a barricade to the prize - the major premiership of '84.

DCA played a defensive fixture. However, the week long relaxation only pushed the team play in the back files of their fighting efforts and Tarangau took the best light out of the match.

The opening moments of the play was held in a stalemate. As Ricky Vagi booted his first two points, DCA took the lead. Ricky Vagi with his easy style of kicking must have given DCA an initial shadow 10 points lead.

Poka Kila from Tarangau was better than Ricky in the final showdown. Kila's many vital kicks grabbed the much needed grounds for his comrades and a quick try from centre Clement Mou minutes after DCA's two points gave them the lead 4 to 2.

A devastating burst from Tarangau's fullback, Paul Timbe 'Tim' tore open DCA's defence, five minutes after the initial try and winger Mafu Kerekere hardly had to brush off late tacklers to notch Tarangau's second try.

Elangi Kovae narrowed the score margin with a near impossible try which threw Tarangau into chaos and later helped DCA's Nohokau Lohia slipped in a clean try under the uprights. DCA led 12-10 but Ricky Vagi claimed another two points with his footing at the conversion and the difference was a try away for Tarangau 10-14.

A kick at the goal by Poka Kila gave two extras and the match roared again at a very despairing scope as both teams fought to keep a clear lead before halftime.

Star centre, Tarangau's Clement Mou answered Tarangau's will to win the first half and slipping a try under the posts, notched four points and took back the lead 16-14.

Again Poka Kila's boots collected the vital points and the halftime score remained in their favour, 18-14.

DCA is reknowned for mastering play in the second and thus

**Tarangau's hooker and skipper, Bau Morea in his last gestures before winning the grand final.**

to win most of their battles that way. But Tarangau with much the similar style of football fought hard to contain DCA's Tara Gau, Arebou Taumaku, Iru Doko, Elangi Koave and Nohokau Lohia.

Yet, starting with a try, DCA fridged the open gap through Winger Serei Morea 18 - all and the probability of winning the match is scrubbed down to 50 each way.

Clement Mou saved Tarangau again, with the last of his three tries, employed at the right time gave Tarangau the boost they were looking for. Clement

Mou has won himself K50 cash prize money offered by Wantok-Rugby League News by playing a super game and to show the best effort.

Poka Kila added the two pointers and closed the door in DCA's face. Team spirits soared as Daroa Ben Moide moved in for the second last try and again Fletcher Tarangau roared the Lloyd Robson Oval.

A field goal from Poka Kila ran the score to 29-22 with approximately 10 minutes remaining in the final match of the Port Moresby season for '84, DCA had

lost. Almost as if to show their happiness, Tarangau fought more fiercely in the dying stages of the final 45 minutes. Paul Piru ran a rampage to notch his try, the final in the season. And the final in the great grand final witnessed by an approximate over 13,000 people was Tarangau for '84, 33-22 points.

Tarangau fought and won. No Sweet Surrender, those times have their share. DCA is the second best in Port Moresby grounds. Tarangau has now banned the word 'surrender' in their vocabulary.

## Islands burning ambition

**The Island zone team to participate in the Cambridge National Rugby League Championships in Port Moresby this weekend has one burning ambition - to beat any side they meet at the titles.**

Determined to erase the bad memories fed into their system at Lae in June, the Island zone

team should be the one to watch as they are intent on forcing their way up to respectable position.

From Rabaul early this week the team manager, John Mark, was confident that his side can do better. The team, consisting of three Kavieng players and 14 from Rabaul, went into camp in Rabaul on Monday where new coach Paul Monama unveiled a spirited

plan for a fight-back by the zone, to recognition.

With most of the zone players hailing from Rabaul the squad officials would have found it convenient to mould the selections into the team they desire.

Island zone has set an aim to equal the performances they accomplished at Lae in 1982. That was when Northern and Southern zones de-

parted from the Kiwi trials full of envy for the dazzling team the Island boys were then.

Since that fine weekend Island zone has coiled itself into inactiveness and only displays occasional spurts of attacking brilliance in trials when certain individuals feel the drive. Their teams have had problems improving their ratings after every championships

and this weekends squad is been assigned the task again of breaking the ice.

Now that a revival of spirit is underway in the Islands, Southern zone should approach their meeting on Saturday with extreme cautiousness. The host zone may be out of contention for this years honours if they are to lose badly to the revivalists.

# Moresby financial position is sound

## Muruks are Rabaul premiers

NGIP Muruks clinched the 1984 Rugby League premiership in Rabaul with a courageous 14-12 victory over Crusaders on Sunday.

The game was only three minutes old when Kumul, Jimmy Peters, crossed the line for his teams only try of the grand final. But despite Crusaders two retaliatory tries the numerous penalty counts against them enabled Muruks captain and Island zone coach, Paul Monama, to good advantage booting 4 goals to give his team a two point lead at half time.

Neither team gave the other an inch to

manouver in the second stanza as both defences absorbed every attack that was attempted at their tryline. A scoreless second half on a grand final just goes to show the strong determination in both teams to come out on top.

NGIP Muruks have earned themselves the Colyer Watson trophy awarded to the top Rabaul team every year since 1952.

But the day certainly belonged to Jimmy Peter and captain Paul Monama who combined to make it a memorable year for Muruks since the club adopted its present name in 1977.

And for the runners-up, well, John Tabaran, Alf Davies, and Oscar Niruk need to take pride in the fact that Muruks met a stiff resistance on their way to supremacy.

These three Crusaders are part of the Island zone team that could cause upsets in the forthcoming championships in Port Moresby.

In the Reserve grade grand final NGIP Muruks captured this years honors beating Crusaders in an evenly tough tussle, 8-6. And Crusaders only win in the grand final was in the U19 one when they beat Crusaders 18-14.

The record attendances at Sunday's Port Moresby Rugby League grand final was 50 per cent above last year's attendance, the Port Moresby Rugby League confirmed today.

The League Secretary, Jeff Wall, said there were almost 11,000 paying customers, as well as more than 1,000 in the club, and at least two thousand (2,000) who gained free admission by jumping the fence.

"The fact that official gate receipts were up by 50 per cent demonstrates the enormous popularity of rugby league in Port Moresby."

"Last year, gate takings from the four weekends of finals totalled K25,000,

while this year the total was K37,000, even though outer area admission charges were actually reduced this year."

Mr. Wall said the Treasurer, Mr. Rodney Sweeney-Hunt, would be reporting to the annual general meeting in January that the financial position of the Port Moresby Rugby League had never been more sound than it is now.

"Due to excellent public support and sound financial management the long-term financial stability of the League is absolutely guaranteed."

"In the off-season, considerable expenditure will occur on upgrading the players change rooms, developing the number two and three ovals, and, most important of all, improving spectator facilities."

"The League will be discussing the financing of improved spectator facilities with its bankers, the PNGBC, in the near future."

"The League has already paid out K10,000 more than last year to the affiliated clubs to assist with the administration of the teams in the competition."

"Given the huge crowd on Sunday, the patience, tolerance and good sportsmanship of the spectators is to be applauded and admired."

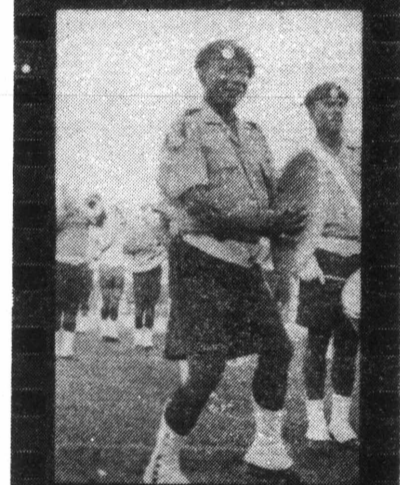

"It was one of the best grand finals I have seen, and I have been watching grand finals since I was a ball boy 30 years ago."

"The credit for that goes to both Fletcher Tarangau, who won their first ever grand final, and Wopa DCA, for a great game played in the right spirit."

"Mention should also be made of the excellent performance by the referee, Graham Ainiu, who on Sunday became the first Papua New Guinean to referee a Port Moresby grand final."

# Clive Clerke Clicks

**The victory for Tarangau is the rebirth for Coach Clive Clerke. In the beginning there was Barry Wilson and DCA. Now there is Clive Clerke and Tarangau.**

For three years since late 1981, papers carried the story of Clerke and Tarangau with little taste. Tarangau was always the underdogs in the P M R F L competition.

Since early 1982,

Clerke fought to get his team to the top of PMRFL. To league officials then he said. "Three years from now, I will get Tarangau to the top. I will win a grand final." Today, Tarangau League is not

foreign to Clerke's nature. In 1968 Clerke wore a Kiwi jumper - a rep player. But he has now played rugby league for a total of 17 years in Australia and New Zealand.

Coaching Taran-

gau was pleasure and punishment for Clerke in the past. But now it is sweet. "I'm so proud of my boys they deserve the win. It was their game. I only had to tell them to think and play. They did all I asked them to and defeated DCA, 33-22.

I'm so happy myself."

Clerke is overjoyed by the victory. He has never done well in his career as coach ever before until today. But again, to win a grand final in Papua New Guinea and not in Australia or New Zealand, where he had spent most of his young days, Clerke feels he is reborn.

"Knowing that I won a grand final in Papua New Guinea is the greatest joy in my life."

He said, "Last week when I commented on this game (grand final) I had confidence in Barry Wilson and DCA. This week I had no confidence in Barry. I had all the confidence in my boys.

Play is not over for Clive Clerke yet. He is now working on the Southern Zone team to make them ready for the independence weekend zone trials.

Again, Clive Clerke is looking forward to win next weekend in Port Moresby. If he wins this one, he will be twice reborn.

**Coach Clive Clarke with Port Moresby's first team for the July early zone trials held in Lae this year. Clive Clarke is far left.**

## Lower grade champs

**Paga Panthers are the 1984 Port Moresby Reserve Grade Premiers after defeating Hoba West in the grand final on Sunday.**

**The Panthers courageously brought play into enemy territory, defying every attempt by West to blunt their attack.**

**With captain John Kelly**

**bravely withstanding the aggressive defence Paga, through centre Wesley Robinson forward Terry Longut were able to break through on vital occasions for points.**

**Hoba West however defeated Kone Tigers 24-20 to take out the Port Moresby under 21 title.**

## Lae Junior trials

**National Junior rugby championship will be staged in Lae over the Independence weekend.**

Three zones, Northern, Southern and Highlands will participate. Unfortunately, Island would not join in, due to lack of money. But a Lae squad has been selected to make the games even.

Spying through Northern zone training camp, there is a strong feeling they will be winning the

crown this year. With potential kumul prospects like Goro Grigai, winger Kasen Bala and play maker Eni Yomba Waiaki in the lineup, the trio will win the crown for the northerners.

Looking at the Lae squad who are also eligible for the national selections, local stars like Harry Koima, and George Mikasimo who are dangerous when in full flight with Paul Kessner who is in for the number 4 position, could be in for the national squad.

## Matiabe Yuwi Is Back With Tarangau

**For four years up until 1983, Tarangau kept the Matiabe Yuwi shield, then it was snatched from them by Tigers.**

However, Tarangau is back in the final match against Brothers in Mendi League and it is near to obvious that this season is theirs.

In the last match - the major elimination final, Brothers defeated Magani, 10-4 fulltime score.

A good start saw both teams struggling

to score ahead when Magani's Ken Agobe scored two extras for his team. But a wild play resulting in penalties gave the game away to Brothers.

In the effort to get Brothers off the field, Magani scored more losses in penalty award and Brothers led 4-2 in the first half.

The second half of the match was all Brothers. John Arabagali mastered all footings to take his team into the grand final against

Tarangau.

The only try of the match won the grand final right for Brothers. Winger Kelly Dagini put up a very hard fight to get the ball over the defences and the award was an overwhelming happiness for his team members.

In the grand final match, Tarangau looked a better side with a very fast backline and reliable forwards. Tarangau has been relaxing for three weeks going through their moves for the final game and

this will prove worthwhile for the team.

Brothers have a long list of injuries and if they could replace the weak with reliable players, they will probably emerge with a fitter team to take on Tarangau.

Tarangau will work to take back the Matiabe Yuwi Shield that's no doubt. Brothers will fight hard also and that will prove to be a very classy match for Mendi spectators next weekend.

## Another Victory For Champions?

**Remarkable record for a new established club. Current national champions, Consort brothers are waiting to play fifth grand final this season.**

Brothers have been through four grand finals since 1980, when they entered the competition, winning two. This will be their fifth and they will surely take out the crown from the way they are going.

Brothers showed their true colors by hamering minor premiers, Ela Magani 31-18 in the first semi finals on Sunday. The devastation display from star lock Benny Allen, with Chris Siriosi, spear heading the forward

pack with assistance from Manken Ramo, Iosefa Falaniko and Albert Agiu, out-classed their opponents Paia Mugi, Bai Karawa, and Joe Arua.

Ipe Hineho, Bere Pupune with Joe Katsir back in form, helped the winger Sam Kaiwari with speed and free ball flowing style, ran rings around the Wallabies beating them out of the game.

Defence kept marching on, with high colors when they edged out big cats, MPS Panther 23-22. From a dropped ball soldiers master minder Aquila Tati in the last 10 minutes, denied the Panthers their dreams on Saturday.

Meanwhile, North-

ern zone foolishly decided to drop the veteran tight-head prop Delu Sine from the original squad. The absence of Delu Sine, who is a veteran of six zone trials, lives a big hole in the northerners pack when they meet Highlands on Saturday.

Players like vice captain John Kapo and 1984 Kumul Iosefa Falaniko really regretted the decision by the officials to drop Sine.

They said, "playing against the highlanders, we badly need a better tight-head prop to partner Kumul Prop Robert Jakis, for which Delu Sine is the only one in the lineup."

The officials replaced Sine with Peter Magel from Lae.

## Madang Moves On Grand Final

**Madang's big day is on the 23rd of September when Brothers take on Panthers in the major match of the season. In the re-**

**serve grade, Tigers will fight Hawks while in the lower grade, Brothers play Panthers.**

These matches will mark the end of the

season in Madang and a sufficient period of relaxation will mend broken bones and nurse those who had a hard time this season for the season coming.

This weekend, the Independence Day Celebrations will include playing rugby league in Madang. Madang's fore runners, Tigers, Panthers, Brothers,

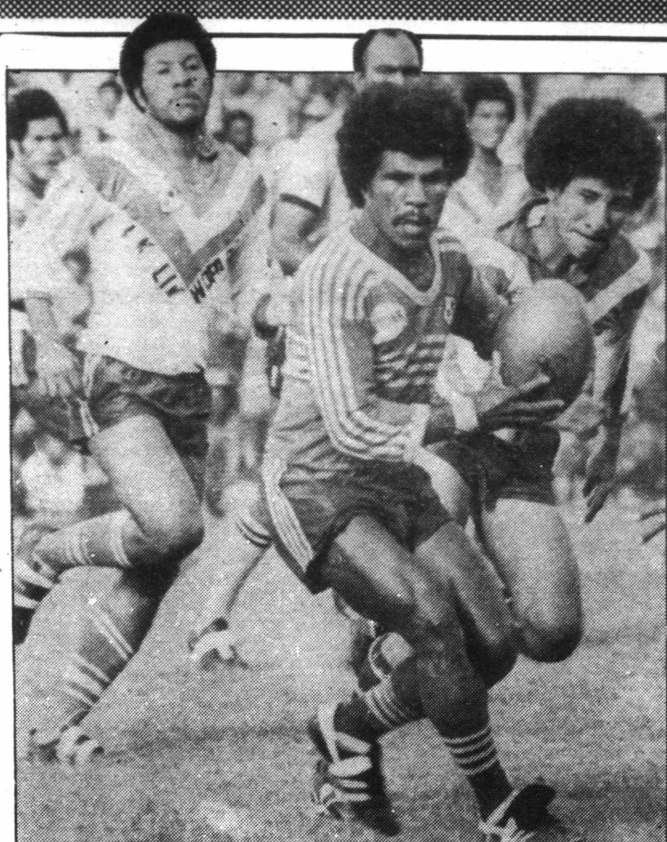

Souths, Hawks and Tarakum will fight oppositions from Hagen and Kainantu.

Hagen Hawks and Kainantu Hawks will be showing Madang league fans their style

of football. They will play the highlands way. Each club guests from the highlands will bring two teams into the Independence Day competition.

Madang League President, Haiwita Karava promised to witness a fine blend of football over the weekend when the big name clubs clash.
