OKAPA PATROL NO. 2 OF 1973/74

... Receipt is hereby acknowledged of your 67-3-5 of the 20th September, 1973, and attached documentation being a report compiled by Mr. J. May, P.O., covering his recent road-work patrol to the South Fore Census Division.

The suggestion put forward by Mr. Tarplee regarding credit for work performed being deductible from Head Tax payable has merit should Rural Development Programme Funds be allocated the project. Credit given would in turn constitute portion of the Council's 50% contribution.

The attitude to traditional dances and celebrations adapted by the World Mission at PUROSA should have been subject of a Situation Report as the ban on these activities is directly opposed to National Policy. Please conduct further investigations to gauge the local people's reaction to this ban.

Mr. May has conducted a valuable patrol and reported thereon in a competent manner that has come to be expected of him.

for J.P. SINCLAIR
District Commissioner.

cc. The Secretary, Department of the Chief Minister and Development Administration, KONEDOBU.

The following comment was made in the subject report "One disturbing note was recorded while at WAISA (World Mission) and this was the Mission's total ban on traditional dances. I made enquiries concerning this with Mr. LEE and Miss MCGILL (Staff members of the Mission) and they both confirmed and supported Mr. JAMES (Pastor of the World Mission at WAISA) action."

It may be well to bring to the attention of this Mission the Government's support for the preservation of tradition at village level.

District Commissioner.

OKAPA PATROL No.2 of 1973/74

Receipt is hereby acknowledged of your 67-3-5 of the 19th October 1973 and accompanying report covering Mr. May's (P.O.) recent road work supervision patrol to the South Fore Census Division.

As stated by yourself it may be well to leave this project for a period to allow the workers time to rest and participate in village activities which may have been neglected during the extended period of occupation on road upgrading.

This is the second report forwarded by Mr. May covering this standing patrol. Has the exercise been terminated for the time being or will there be further reports with the same patrol number?

Mr. May's work during this patrol has done much to improve the general standard of the roads in the South Fore.

Receipt is hereby acknowledged of your 67-3-5 of 20th September, 1973, and attached documentation, being a report compiled by Mr. F.O. Carew covering his recent road work patrol to the AUYANA Census Division.

The operation as conducted proved of immense value. It is suggested that the Council continue to adopt this concentrated effort on other projects rather than split their resources. The results are more obvious and the people feel that they are getting their money's worth from their tax.

Mr. Carew has conducted a constructive patrol.

OKAPA PATROL No.4 of 1973/74

Receipt is hereby acknowledged of your unreferenced memo dated the 3rd October 1973 and attached report covering Mr. Henke, A.D.O., recent road work supervision patrol to the Keiagana Kanite Census Division.

The Patrol Report jacket forwarded was not signed by yourself. In future please check and complete all documentation before onforwarding same.

Work done during this patrol to upgrade the Kagu road is very gratifying. The method adopted of employing heavy equipment at Council expense while using voluntary village labour has proven itself as the most efficient while showing the people some return for their taxes paid.

Should the Council be in a position to continue hiring the D4 it may be well to suggest to the Council to divert it to the South Fore road in conjunction with the recent work done by Mr. May, P.O., in that area.

Mr. Henke continues to perform his duties at the high level that has become expected of him.

Receipt is hereby acknowledged of your 67-3-5 of the 19th October 1973 and attached report covering Mr. Tarplee's (A.D.O.) recent special patrol throughout your Sub District.

Mr. Tarplee should be instructed to have the Okapa Council lodge formal application for leases over the areas to be occupied by these various schools.

It will be necessary for him to conduct a further patrol to these sites before the commencement of the 1974 school year and if time permits he could conduct the necessary surveys and investigation into ownership of the land in accordance with Lands Circular No.1 of 1964.

Mr. Tarplee has conducted a patrol of considerable assistance to the people of the Okapa Sub District.

OKAPA PATROL NO. 7 OF 1973/74

Receipt of your 67-3-5 of the 20th September, 1973 and accompanying report compiled by Mr. A.P.O. Evans covering his recent patrol in the GIMI Census Division are hereby acknowledged.

The Department of Forests is anxious to obtain upwards of 5,000 acres of usable land for afforestation purposes. The usable land should not have slopes in excess of 30% and of course be free of vegetation which would have to be removed before planting.

An area similar to PUROSA would be ideal. Access roads will be constructed by the Department and would greatly benefit the GIMI area should land be available in that locality. It is suggested that a further patrol be mounted to investigate the matter.

It is indeed unfortunate that Mr. Evans was unable to accomplish the object of his patrol.
