

## **Dr. Adrian F. Richards appointed to the faculty of the University of Illinois**

**February 26, 1964**

Dr. Adrian F. Richards, who received his Ph.D. in Oceanography for research conducted at the University of California's Scripps Institution of Oceanography, has been appointed Associate Professor of Geology (nine-tenths time) and Associate Professor of Civil Engineering (one-tenth time) on the faculty of the University of Illinois.

Dr. Richards received his degree from the University of California in 1957. Since that time he has held positions with the U. S. Navy Hydrographic Office, the Department of Agriculture, the National Academy of Sciences, the U. S. Navy Electronics Laboratory, the Office of Naval Research, and the Norwegian Geotechnical Institute, Oslo, Norway.
