

San Diego, Calif.  
7<sup>th</sup> May, 1856

Dear Sir:

I have now fully discharged my engagement to you, of the 13<sup>th</sup> of February last, relative to the health of Mrs. Morse.

I am desirous of avoiding private practice in and about San Diego, and therefore, whilst I am highly sensible of your kindness, I prefer that in case of future illness you would employ some other Physician. Please present my kind regards to Mrs. Morse.

Very Respectfully,

E. W. Morse, Esq.

L. F. Hammond.
