### UCSD INTERNATIONAL CENTER FRIENDS AWARD \$17,900 IN SCHOLARSHIPS

The Friends of the International Center at the University of California, San Diego, have awarded \$17,900 in student scholarships for 1995-96, according to International Center Director Mary Dhooge.

Dhooge reported that \$11,900 was awarded to U.S. students bound for study abroad. The \$6,000 balance was presented to foreign graduate students involved in international exchange and one U.S. student involved in international research.

The Friends of the International Center scholarship funds are derived from proceeds of the Friends' ethnic dinners and income from the Friends' Resale Shop, located at the International Center. For information on the International Center, call 534-1124.
