"If you're interested in applying to UCSD for fall quarter 1991, then Preview Day is just for you." -- Victoria Valle Staples, SOAR Director

PREVIEW DAY, Saturday, October 6, 1990

Students interested in applying to UCSD for Fall Quarter 1991 are encouraged to attend Preview Day. This once-a-year event offers students and their families a chance to discuss their interests with UCSD students, faculty, and staff. Highlights of the day include presentations on admissions, financial aid, and housing; a student panel discussion; campus tours; and an information fair featuring UCSD's five colleges, academic departments, campus life programs, and student organizations. In addition, there will be two special sessions for transfer students from California community colleges.

Preview Day will provide 1991 applicants with a firsthand look at the university, its people, and programs. This event precedes the priority filing period for UC applications, which is November 1-30, 1990. Applications and other publications will be available at the program. Activities for Preview Day are organized to help students narrow their college search, and SOAR expects 2,500 visitors to attend.

Two complete programs are offered, the first beginning at 9:30 a.m. and the second at 12:30 p.m. Both morning and afternoon programs are identical, so visitors are advised to attend the session that best meets their travel plans, or to attend portions of each. The complete program is listed below:

9:30 a.m.: Morning Welcome, Price Center Ballroom

12:30 p.m.: Afternoon Welcome, Price Center Ballroom

9:00 a.m. to 4:00 p.m.: General Program, Registration at the Sun God sculpture

10:00 a.m. to 2:30 p.m.: Continuous presentations on admissions, financial aid, and housing

11:30 a.m. & 2:30 p.m.: Session for Transfer Students

11:30 a.m. & 2:30 p.m.: Student Panel Discussion

10:00 a.m. to 2:00 p.m.: Information Fair, Price Center Plaza

10:30 a.m. to 4:00 p.m.: Campus Walking Tours

Directions to UCSD:

From Interstate 5, exit west on La Jolla Village Drive and continue until it becomes North Torrey Pines Road. Parking will be available in the lots near Muir College, just a short walk away from the various campus sites for Preview Day. Signs will direct visitors to the registration tent near the Sun God sculpture.
