

Dear Thom

As with the utmost concern, I acquaint
you that your mother is very ill, has had a severe
cough since Sunday ~~last~~ Sunday with little or no
intermission; the not very late, Dr. Bavelay has
attended her all the while; says there is no
apparent danger at present, and she is very
heartly, and I hope this best; but as I am
sensible your company will be agreeable to
her; should be glad you will come over as soon
as possible; should be glad also of your daughter's
company; if not too great a fatigue; and to come
not that hasten as I suppose you may be willing
to do. I am in haste, Dr. Thom.

Love Thursday Night

Yr affec Father

Your mother / who with great deal
differsity would ~~have~~ to send for you
for fear of too much fatigue, desires
you will not hurry so as to endanger herself
