HIGH SCHOOL WINNERS ANNOUNCED IN MATHEMATICS CONTEST

Winners in the 39th annual High School Honors Mathematics Contest sponsored by the Mathematics Department at the University of California, San Diego were announced at a May 16 awards banquet held at UCSD's Faculty Club.

Winners in the three divisions were:

City schools: La Jolla High School, with Scripps Ranch High Schools and University City High School, runners-up.

County schools: Helix High School with Orange Glen High School and Rancho Buena Vista High School, runners-up.

Small schools: La Jolla County Day School with The Bishop's School, runner-up.

The top five individual winners in the math contest were Darren Creutz, La Jolla Country Day, first; Brandon Kuczenski, University City High, second; Max Lin, La Jolla Country Day, third; Robin Kremsdorf, La Jolla High School, fourth, and Rajeev Malhotra, University City High, fifth.

Teacher/coaches of the participating schools were Antonio Smith, Eastlake High School, Chula Vista; Trang Vu, Gompers Secondary School; Dolores Dreher, Granite Hills High School, El Cajon, and Victoria Noddings, Helix High School, La Mesa.

Also Carol Geising, Hoover High School, San Diego; Tim Meinert, La Jolla Country Day School; Joanne Wainscott, La Jolla High School; Pat Boldt, Orange Glen High School, Escondido; Garry Prather, Rancho Buena Vista High School, Vista; Kent Hartman, The Bishop's School, La Jolla, and Joyce Nagata, University City High School.
