Mr. Ed Fletcher,
920 8th St.,
San Diego, California.

Dear Sir:-

Replying to yours of November 15th. The amount of money necessary to cover certain lots to square off the State Normal School grounds has been placed in the budget of San Diego Teachers College. What may happen to this, or any other part of the budget, at some future time, of course, I am unable to present to even guess, but, at least, it will go before the Governor-elect for his consideration.

Very truly yours,

G. B. DANIELS
