Mabel:

Attach my letter to Sweet to this complaint. Have Mathews read it over and make any corrections that he sees. Then have Mr. Post read it over and make any suggestions that he has to make, and send it over today, without fail, to Mr. Sweet, as we have only five days to get it out, I believe.

Ed Fletcher.

Messrs. Mathews and Post:

Gentlemen: These are the instructions. I take it that Col. Fletcher will want to see it again before it is finally sent to Mr. Sweet. I leave the letter unclosed for any additions that you may want to make.

Mr. Harritt:-

Mr. J. H. Philbrook, 4838 Bonnie Brae Ave.

states that the water furnished at his place has an objectionable odor and he has asked if the pipe can not be blown off at the end so as to clean it out, and I believe this would be a good plan. Please give him any relief that you can. He probably needs it as he is on a dead end of pipe.

Mr. C. Harritt,
La Mesa, Cal.

Dear Sir:-

Mr. John H. Myers residing on El Cajon Acres was in this afternoon and complained that the water had a very disagreeable odor and was full of moss, etc.

He states that he is the only consumer at present on El Cajon Acres line. Can you arrange to have these pipes blown off as this would probably improve conditions very much.

Yours very truly,

F. M. Faude.

Dear Sir:-

Confirming our conversation of yesterday, with
reference to the use of your boat on Cuyamaca Lake, and
maintenance of the gates, will say that you, or your
Superintendent, is given the right to use and operate
your boat on Cuyamaca Lake at all times without interrup-

rangements and rights may be terminated by either party
by giving ten days written notice of such termination
of this right; such notice to be given the other party
