COMPLETE EDITION

what Ron Silliman thinks boy is this shut it up herself big
revolution spending his brother sis revolution sis strict intelligenc^{ce}
put it in his mail without hurting himself like Bruce other holding
together we comfort big stallion we brother mother says exercise
by brilliant scholar we research technique study literature only
by speaking also Hannah he keeps silence forever said brilliant put
in explanation am seeing workds like exempt are you some spending
his regular press calms down directly boy do you push hard superior
tell his boyfriend anyway thats excited him dont teach directly like
silence Hannah its a scandal you are an important hold yourself back
Russia hes scared a little professor anyway get off the page stinks
Hannah he rushes you imperturbably he has innocent like scrawl
confidence what better letter enforce instructions likewise just
scream tear it in your envelope hes scared with it a little put it
on the shelf dont lick it he screams intelligent also crazy before
also relax stay home he obey constant rebellion speak openly con-
fess sit silent obedience send letter abroad you center of attention
big practical writer print slowly always correct strict diet you
overweight he controls it special audience boy are you forgiven
shut herself up like teacher dont rush him soeasily breakdown near
center near city limits just sign yourself second choice Hannah
sit still frequently your friendship important so teacher be only
silence must know he goes crazy with it in sitting give up teaching
simple last manuscript said teach like me beware of the monster cap-
ital anyone knows who sees it know directly he observes constantly

which teacher who puts it directly teaching Indians read last
 manuscript twice said alone enjoy following this is your book by
 friendship give him a lick of love by understanding copy over this
 letter which sign is mother superior last manuscript blush enjoy
 confidence what a trick spelling is twice through put opposite
 said enough put it quickly down on the page correct spell instantly
 boys hero enough time sign your letter different for a little
 through boy is he worried constantly boy is he paragraph well you
 got your message silly teachers wroor spelling wrong worried open
 people slowly like did people scratch their behinds Hannah he gets
 sick sometimes also stop drinking liquids completely for a while
 sitting embarrassment well you must publish the Fast yourself problem
 boy are you through had we excellent subject writer sis print
 letter backwards some punish letter he teaches differently I suppose
 I go broke with it humble person in the hills like Indians too
 hello stranger costs you a mail get stronger push me away stronger
 teach you are correct spell difference because like me teacher some-
 time Hannah you object directly before speach boy are you wrong
 boy we hard together put in letter form put the desert in correct
 silence boy is he sacred a little teaching forgiven mother would
 please send letter signed kiss Krishna sign below identify Hannah Weiner
