# PNG Experience TOURISM EXP 2007

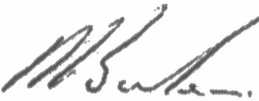

## MESSAGE FROM THE PRESIDENT

The Papua New Guinea Tourism Industry Association (PNGTIA) was incorporated on the 24th January 2001, as a tourism and travel industry organization to represent and speak for the common interests and concerns of all of the components of the PNG tourism and travel industry. It is the only professional travel organization in Papua New Guinea that brings together all sectors of the tourism and travel industry.

The PNGTIA is a non-profit organization. Built to pursue and influence policies, program and legislation that are responsive to the needs of the industry as a whole. The PNG experience tourism expo was developed to allow industry members the opportunity to come together in a central location and demonstrate their products and services to tourism wholesalers, reseller, the media and the travelling public.

Since its inception in 2004, and with the support of generous sponsors, the expo has grown from strength to strength, drawing greater participation and attendance.

It achieves its objectives of tourism awareness, and demonstrates the level of success held within the tourism industry of this country. The expo is a significant example of PNG's tourism offering.

  
**Michael N. Buleau**  
Chairman - Expo  
Committee & President  
PNGTIA
