# ALL PEOPLE'S CELEBRATION

**RECOGNIZING THOSE WHO HAVE ADVANCED DIALOGUE, COMMUNICATION AND DIVERSITY**

The Cross-Cultural Center will host its 4<sup>th</sup> Annual All People's Recognition Ceremony and Birthday Bash on May 27, 1999. The goal of this event is to recognize campus individuals and organizations that give of their time, energy and effort to increase multicultural understanding at UCSD and in the surrounding community. It is also a time to recognize the dedication of individuals who have helped the UCSD Cross-Cultural Center fulfill its mission in the past year. The ceremony is an opportunity for all of us to celebrate the achievements and activism of the UCSD community.

As part of the program we welcome back past members of the UCSD community to share their historical perspective and charge us to move forward in our goal of building a UCSD that is welcoming of all its members. This year the celebration will continue to focus on the efforts of faculty, staff and students that have helped to foster multicultural dialogue. We need your help in identifying these community members. Please fill out a nomination form for a colleague, friend, etc. whom you feel should be recognized for advancing diversity. All completed nominations are due on or before May 1, 1999 to the CCC. Also, feel free to email us nominations at [cccenter@ucsd.edu](mailto:cccenter@ucsd.edu) or fax us at 619.822.0173.

because... these students are each actively involved in working to create a safe and open environment on the UCSD campus, to reduce institutionalized and interpersonal homophobia, and to provide visibility of a sometimes invisible population. They are involved in running support/discussion groups for both men and women on a weekly basis, they talk with individuals one to one openly sharing their experiences in coming out and coming to terms with their sexual identity and thus decreasing the stigma attached to a non dominate sexual orientation in a heterosexually dominate world. They execute programming aimed at increasing awareness of what it would be like to be an LGBT individual, helping others to begin to think about their beliefs and values with regard to sexual orientation, and provide psycho-educational information around LGBT issues. Finally, they as role models and leaders in the community.

*You have been honored and nominated in the All People's Recognition Ceremony by:*

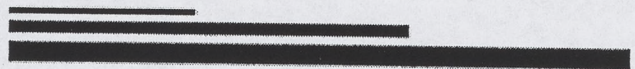

Paul Harris, Lynne Bush, Lynne Clark

*Nominator's comments:*

Scott has consistently been the most active student on the Chancellor's Advisory Committee on LGBT Issues. He has been an important link between the student community and staff and faculty regarding issues affecting both communities within the lgbt population. He has maintained webpages, sat at numerous outreach fairs, interned at the CCC, assisted the Women's Center and subjugated his own studeis to try to make UCSD a more diverse community.- PH

Scott has been busy making himself irreplaceable on this campus. He is or has been actively involved in the Chancellor's Advisory Committee on Lesbian, Gay, Bisexual and Transgender Issues, LGBTA, and in designing web sites for various communities on campus. He is committed to using information technology to help the various "outsider" communities on campus communicate with each other and with the rest of the campus. I believe he is largely responsible for the Cross Cultural Center's Diversity Event's Web Page. Scott is passionate, dedicated, and outspoken. He has been an inspiration to me.- LB

Because of his concern for people with disabilities, participation in activities of the Community Advocates for Disability Rights and Education (CADRE), and service as a member of the CADRE Board for 1998-1999. Specifically Scott is most deserving of commendation for the care and sensitivity he used in designing the CADRE web site so that it can be accessed universally by people with disabilities and users of different technologies. He has also worked diligently, through formal presentation and informal discussion, to raise consciousness of others about the need to consider web site accessibility issues. CADRE is fortunate to have the combined benefit of Scott's computer expertise and concern for people with disabilities.- LC

From: Scott Heath <sheath@UCSD.Edu>  
Subject: Rainbow Grad Reception

Dear Rich:

I spoke with Juan, and then also with students at the LGBTA meeting. I would say that there is interest in doing this. Students were excited about this and Juan thought it was a good thing for the Umbrella Group to do. Juan is also optimistic that something could be done even with such short notice (similar receptions, such the farewell night for Patrick Vesaques, have been arranged on such short notice by the CCC in cooperation with others)

I think we should do this, and I think we can do this. So here are my thoughts and other people's input on this matter:

We need to get people involved immediately and start getting the most important details planned within a few days. It would be good if a date, time and location could be determined in a few days. For various reasons, I think we should just start arranging things now.

This would a reception (not a commencement) to recognize LGBT/Queer graduating students, and to honor individual LGBT/Q students for their achievements and contributions to our community. It should take place on June 5 or 6, the weekend before finals, as the weekend of June 12 and 13 are the dates for actual commencements (when students will probably spend time with family, be moving out, etc.). An on campus location seems best for arranging and for people to be able to attend hassle-free. It should take place in evening or night, sometime in 7-10pm range.

A full dinner would be too much to do and pay for. Perhaps desserts, beverages and hor d'oeuvres. Specific platters can be ordered and purchased from local stores easily, such as of fruit and vegetables, just as desert spreads. (Martinelli's is a cheap and fun alternative to champagne.) This can be elegant but simple.

I've tentatively reserved the CCC Lecture Hall for June 5 in the evening. This room has been used for a number of receptions, and the CCC staff can advise us on planning this event. I'd recommend a number of round tables for people to sit at rather than rows of seats. There can be long tables for the food and refreshments, and other things. We would need table cloths or tarps. A podium, and A/V such as mic, amp and speakers would be best so people can hear.

vide → NCOD '98  
p-ride '98

We should give out some sort of gift to the graduating students. (The LGBTA students suggested that we honor not simply graduating seniors, but also graduate students just about to or just having completed their degrees -- which I think is fine.) This could take the form of rainbow tassels, some sort of cloth item like a ribbon or "coontah" (I can't spell it) cloths for grads to wear with their robes, or something tangible that people can wear or keep as a memento.

There should also be certificates of recognition for worthy graduating students -- how they'll be selected is something we'll have to consider. There should also be a printed program for people look at, and take with them. Flyers to announce event would be good, but not a large number.

★(students)

The programme should include some talk, some entertainment of some kind such as music or poetry, presentation of certificates, and end with graduating students gathered in front to receive their gifts and be applauded (and photographed). Maybe we could ask Renee to sing or play something.

The event should be for whoever is interested in attending, with RSVP. That means not just graduating students and Umbrella Group staff and faculty, but

cott Heath, 12:46 AM 5/18/99 , Rainbow Grad Reception

other LGBT students and allies. I'm guessing we'll get about 30-50 people to attend. 13 students wrote down their names as wanting to attend at the LGBTQA meeting, and the Principal Members guess there were at maybe 20 LGBT/Queer students graduating that they knew of (whether or not they were active in the LGBTQA). Dress should either be casual or dress-up (semi-formal).

So, to break down the costs, what I would guess to be most to least cost:

- 1) Food and beverages
- 2) Gift to graduating students
- 3) A/V equipment rental
- 4) Printing: flyer, program, certificate.
- 5) Miscellaneous: table tarps, decorations, certificate folders, etc.

We'd be looking at several hundred dollars.

Thank you so much for your commitment. I hope to hear from you soon.

Tonight is the first of what we hope will become an annual event bringing together students, staff, and faculty, friends and allies, family both biological and chosen, to celebrate.

We choose tonight to honor our future, our graduates, to reflect on our past, and to make connections that will transform our future.

We choose also to recognize our accomplishments of the last year and to renew our spirits for the work of the next by celebrating with friends old and new.

Many thanks to those who would not let the idea of this Rainbow Graduation be passed over one more year. Not next year in Jerusalem, but perhaps next year in our own on-campus LGBT space!

And thanks to all of you who continue to fight the good fight, in large ways and small, behind the scenes and at the forefront, who will not be silent about who we are.

### Projects

The Chancellor's Advisory Committee on Lesbian, Gay, Bisexual and Transgender Issues (UCSD CACLGBTI) in fulfilling its charge has coordinated or participated in several projects, such as *ad hoc* committees and the development of programs.

### LGBT Resource Office Steering Committee

Appointed by Chancellor Dynes in April 1999, the Steering Committee is charged with establishing an UCSD LGBT Resource Office, to address issues of Safe Space and other programmatic concerns articulated in the "Proposal for the Establishment of a Lesbian, Gay, Bisexual and Transgender Resource Center at UCSD" authored by the Ad Hoc Committee and CACLGBTI. The LGBT Resource Office is scheduled to open for operations in Fall Quarter 1999. The members of the Steering Committee were recommended jointly by the CACLGBTI and the Ad Hoc Committee. The Steering Committee is charged independently of CACLGBTI, but will consult with the CACLGBTI in developing the LGBT Resource Office.

- Current Chair: Professor Harry Hirsch ([hhirsch@ucsd.edu](mailto:hhirsch@ucsd.edu))
- An interim staff position for academic year 1999-2000 as coordinator of the LGBT Resource Office will become available for applicants during Summer 1999. The position will be half-time permanent staff appointment at Program Rep I or II (or equivalent series level), and conduct all operations of the LGBT Resource Office. Interested persons are encouraged to now contact the Steering Committee Chair, Professor Harry Hirsch ([hhirsch@ucsd.edu](mailto:hhirsch@ucsd.edu)).

### Ad hoc LGBT Resource Center Committee

Initiated by CACLGBTI in 1998, consisting of CACLGBTI members and other students, faculty and staff, to: investigate the needs and implementation of a LGBT Resource Center; to prepare "Proposal for the Establishment of a Lesbian, Gay, Bisexual and Transgender Resource Center at UCSD"; to advise the CACLGBTI on these issues; and with the CACLGBTI, articulate the interests of students, faculty and staff to the Administration for the establishment of an LGBT Resource Center.

The Ad Hoc Committee assisted the CACLGBTI in recommending appointees for the Steering Committee of the UCSD LGBT Resource Office. The Steering Committee will take in consideration the concerns of the Ad Hoc Committee prior to the establishment of the UCSD LGBT Resource Office.

- Chair: Sarah Archibald ([sarchibald@ucsd.edu](mailto:sarchibald@ucsd.edu))
- See [Proposal for the Establishment of a Lesbian, Gay, Bisexual and Transgender Resource Center at UCSD](#). Submitted to Chancellor Robert C. Dynes on September 10, 1998. On-line text of proposal. (Now also available in [Acrobat format](#).)
- See also [Resolution In Support of Establishing a UCSD LGBT Resource Center](#). ASUCSD Resolution #1, June 3, 1998. Passed by the Associated Students Council at UCSD during the 1998-1999 A.S. Council session.

### LGBTQA Out and Proud Week

May 1999. Formerly "Gay Awareness Week." The CACLGBTI Outreach & Education Subcommittee co-sponsored this week-long educational event, which was presented by the student Lesbian Gay Bisexual and Transgender Association (LGBTQA) at UCSD. Open to all members of the UCSD community, it included workshops and speakers on a variety of LGBT-related or -relevant topics.

### Open Zone Program

CACLGBTI has assisted UCSD Residential Life and the undergraduate colleges in the development of a "Open Zone" program similar to the "Homophobia Free Zone" implemented at Porter College, UC Santa Cruz. Currently Roger Revelle, John Muir, Earl Warren and Eleanor Roosevelt colleges have implemented the Open Zone Program directly; Thurgood Marshall College has a counterpart "Be An Ally" program incorporating the programme of the Open Zone Program.

- Current Program description:

The Open Zone Program is intended to provide sensitivity training and increase awareness related to lesbian, gay, bisexual, and transgender issues. This workshop takes a look at myths and facts, impact of homophobia and ways to be an ally to this community. There will also be an opportunity to participate in a structured activity that will simulate potential life experiences of lesbian, gay bisexual, and transgender persons. Open Zone door tags will be available at the end of the program. Additional information is available from each College's Residential Life offices. For questions, please contact Rey Guerrero at 858.534-2261 or Kevin Kinney at 858.534-3025.

- For information regarding the early development of the program, see [Chapter XII](#) and [Appendix 9](#) of the ["1997 Campus Climate Report"](#).
- For further mention of contributions by CACLGBTI to the development of the Open Zone Program, see the [CACLGBTI Accomplishments Reports](#) below.

### 1999 San Diego Pride Parade

CACLGBTI, the Umbrella Group, and the student LGBTQA are sponsoring a cross-campus contingent in the San Diego Gay and Lesbian Pride Parade, with several dozen staff, faculty and students. The 1998 guest of honor was UCSD Chancellor Robert C. Dynes, whose participation was the first occasion that any UC Chancellor had done so. Chancellor Dynes and other members of the UCSD campus participated in the 1998 Pride Parade as part of the campus commitment to diversity and community outreach, in accordance with the UCSD Principles of Community. The UCSD Contingent was accompanied by members of the Owen's Clinic, part of the UCSD Medical Centers, and an ambulance loaned for the occasion.
