

Clashua N. H. Sept 21, 1888

Mr Morse dear Sir

I thought that I would write a few lines to you this morning, to acknowledge a Paper that I rec'd from you, and also an Album of San Diego that I rec'd some time ago but did not acknowledge it, as I understood that you was coming East this summer, and we should see you at our home in Clashua, I was in hopes to have seen you both but have been disappointed, and I have not rec'd that long promised letter from your Wife, but hope to hear from her soon.

Some months ago I rec'd my thirds of five hundred dolls. from Andrew that you sent him, I did not

know what to think of it.
as you wrote me in Dec 1887
"that if the account was correct"
(and I have no doubt it was for
I went all through it with my
husband when it was made out
and he was very particular -
about it) the principle & interest
that you was willing to pay,
as we had waited so long, and
to show your good will, "the
whole would amount to I
think over a thousand dolls"
so when I rec'd a third of five
hundred, I could not imagine
why it was, but I concluded
that you was coming on, and would
make it all right, as you did not
come, and I was acknowledging your
your gifts, thought I would mention
it, please excuse the liberty.

My Sister & Husband wish
to be remembered to you
and hope to see you in
Nashua when you come East
kind regards to your wife.

Yours Truly Susan C Sawyer
