State Corporation Commission,
Pacific Finance Building,
Los Angeles, California.

Gentlemen:

I am interested in Mr. Sawyer's S. L. Studio-
San Diego, a trust estate, in seeing that it is successfully
put thru, and there is every indication that it can be.
If it can be legally done, I would appreciate it if you can
extend the time of the release for 30 or 60 days from date
of June 9th. I have some friends who may be interested,
and a considerable portion of the money has already been
raised.

Thanking you for any courtesy you may extend
Mr. Sawyer in this matter, I am

Yours very truly,

Dear Sir:

In re: S. L. STUDIOS-SAN DIEGO

We have yours of the 6th instant in re
the above matter, and in reply beg to advise that
the Commissioner from time to time extends the time
in which a company is required to raise a certain
specific sum of money.

It is customary for the company to make
application for such extension of time and to support
the application with the written consent of all those
who have subscribed to its capital stock prior to the
date set in the permit as the outside limit within
which such sum must be raised.

Upon receipt of such application, no doubt,
the Commissioner will extend the time as per your request.

With kindest regards, we remain,

Yours very truly,

EDWIN M. DAUGHERTY,
Commissioner of Corporations

Attention Mr. Moore

Gentlemen:

Mr. Wells informs me that you have allowed the issuance of more stock to be sold, to pay off the present indebtedness; that the trustees have recognized their obligation to Mr. Sawyer in the sum of \$12,000 or more and have issued preferred stock cancelling that amount of indebtedness of the S. L. Studios.

It seems to me that the important thing is to have Mr. Moore come down here and have a meeting of the stockholders and discuss the finances of the corporation and future plans of procedure.

Would it be convenient for Mr. Moore to come down? If so, when?

In the meantime the Grossmont Park Company will undoubtedly bring a suit to reclaim its property for failure of contract. I am sure the Grossmont Park Company will do more than the fair thing by the innocent stockholders in case they recover the property.

Yours very truly,

EF:KLM
