BOARD MEETINGS first Thursday every month at the Oceanids Pavilion, International Center , 9:30 AM social, 10:00 AM Meeting – You are welcome to attend!

PRESIDENT'S MESSAGE

Someone asked me recently if I was enjoying being president of Oceanids, and then thought better of that question. I assured her that actually I was, thanks to all the help that I am getting. So some thanks are in order again. Each and everyone of these people have been great. Judy Skelton and Margaret Acampora put on a lovely Fall Luncheon for us. I knew that I did not have to worry about a thing with these two in charge. And everyone loved their special Trick-or-Treat package. Many complements were given on the food, especially how perfect the salmon dish was prepared.

Ellen Revelle was the most delightful hostess for the Newcomers Wine and Cheese party, with again two special people Liz Fong Wills and Georgina Sham taking care of all of the arrangements. Thanks also to our other Oceanids who contributed a wonderful variety of nibbles to go along with the wine. The weather cooperated and some people enjoyed a walk along the beach by Ellen's home and others chatted on the deck overlooking the ocean. I feel that we have a really terrific group of Newcomers and look forward to seeing them at more of our functions, especially the Holiday Party that is coming up next. With that in mind, I could use someone to come forward and help out with the decorating of the Chancellor's home for our Holiday Party. Give me a call if you can help out.

I wish all of you a joyous and festive holiday season celebrating with your loved ones. Carole

Division Champs!

Sylvia Bal Somerville (of the newly formed BF committee) won 1st place at the recent Chancellor's Challenge in the category of Senior Women. Bob Starkey (husband of past Oceanids president Barbara Starkey) won 1st place in the category of Senior Men. The rest of us Oceanids members were so proud to see them receiving their medals from Chancellor Dynes while they were wearing the Oceanids T-shirts that Maxine Bloor made for all of us to wear.

Sallye Krause should have gotten a special medal for coming to the event just 2 weeks after back surgery. She started out walking with us, but was sensible enough to turn back when we encountered the first puddle. Since it had been raining non-stop the previous 18 hours, there were lots of puddles! What a trouper Sallye is!

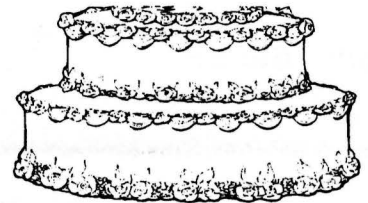

This was the 5th annual 5K run/walk and the first one that Oceanids participated in as a group. The Chancellor started it as a fun way to raise money for undergraduate scholarships. Both he and his wife Professor Frances

Hellman donate money for every person who beats them in the race. He finished 124th and she finished 171st out of 719 who participated that day. The new Vice-Chancellor Ed Holmes donated money for each runner in the Health Sciences who beat his time. At the end, Dynes announced that \$178,000 was raised by the event and all of the money goes to the scholarship fund because of the sizable underwriting.

The rest of the Oceanids contingent included Maxine and Colin Bloor, Pat Kampman, Larry Krause, Estelle and Ralph Shabetai, Mildred Small, Helga Stark, Barbara Starkey and me. Most of us walked and all of us finished the course in less than one hour. It was great fun seeing old friends from a great cross-section of campus: post-docs, faculty and staff. Seeing one particular group of students, I thought, the undergraduates are getting younger and younger! But it turned out to be a contingent from the Preuss Charter School (perhaps 6th graders? Thus, the participation was really campus-wide.

So, next October, come join us for a fun way to help raise money for a very worthwhile cause!

OCEANIDS' INTEREST GROUPS

Interest Groups are the backbone of our Oceanids organization. They are here to meet the many varied needs of Faculty Families, especially those new to the UCSD campus, and the community.

If you do not find an activity that you would like to participate in, please contact Carole Ziegler, president @ 619-297-0798. If you are not yet a member of Oceanids, please consider joining us today by utilizing the membership application on page 9 of this issue.

UPDATE ON THE FRIEDA DAUM UREY FELLOWSHIP

As many of you already know, the Frieda Urey Fellowship is given to a woman who has had a significant hiatus in her studies and then enrolls as a graduate student at UCSD. The recipients have been impressive women, and it has been very gratifying to read the short biographies they have written for Bear Facts and to meet them at our Spring Luncheons. It is nice to know that the financial aid of the Fellowship has made it a little easier for them to achieve their goals. The Fellowship Fund has grown thanks to the family and friends of Frieda who have made generous donations. This past year, Clara and Fred Wall donated appreciated stock, and a few years earlier, Mary Lorey (Frieda's daughter) made a sizable donation to the Fund. As a result future stipends will be increased.

Last year's Fellowship recipient Sandra Logan received her Ph.D. in Literature on August 28th, 2000. Her thesis topic was "Willing Subjects: Historical Events as Rhetorical Occasions in Early Modern England", and her thesis advisor was Dr. Louis Montrose.

Barbara Starkey attended the thesis defense, and she reported that the work received high praise. We were very happy that we could offer the Oceanid Pavilion as a place on campus where a Ph.D. party could be held, and it turned out to be a great party,

with wonderful food (catered by Sandra and her mother), and people sitting around talking way past 10pm. As one Oceanid commented: "Frieda would have gotten great pleasure in knowing that the Pavilion was used in this way."

Sandra Logan is still on campus this year, and is a Lecturer in the Literature Department. Last year, as a thank you, she taught a class in Tai Chi for Oceanids, and was an excellent and very patient teacher. This fall she is offering the class through RIMAC and four Oceanids are enrolled. She will be teaching it again in the winter quarter, and if you want more information call Carol Schultz (453-0458).

-IN MEMORIAM

ANN MCGILL
SEPTEMBER 2000

My mom Ann McGill died on September 4, 2000. She had been a member of Oceanids since we moved to San Diego in 1965.

Our family lived in La Jolla from 1965 until 1970. In 1970 my mom and dad moved to New York when my Dad was named the President of Columbia University. He was the Chancellor of UCSD from 1968 until 1970. They returned to La Jolla in 1980. Dad died three years ago. Mom's health gradually deteriorated but she pretty much fought her illness until the end. She was a character and I am sure that it will be a while before the nurses at Scripps Hospital forget her. She loved life, her family and her friends. She was truly a wonderful person.

Rowena McGill Springer

Friends of Ann McGill had this to add:

"Ann was a very private person and people enjoyed her somewhat caustic sense of humor. She grew up as an orphan in a convent and became a nurse.

Chancellor and Mrs. McGill felt a strong commitment to Oceanids and frequently opened their home to them for various functions. Ann was a very conscientious hostess.

WARNING!

Membership Renewal

The December issue of Bear Facts is the last one you will receive if you have not renewed your membership. Annual dues are \$20.00, while Sustaining (\$250) or Life (\$500) are longer term memberships that are available. Check your status by the small date at the upper right-hand corner of your mailing label. Exp 8/2001 means your dues are current. Exp 8/2000 means you have not yet renewed.

In processing renewal checks, I noticed at least one member has her social security number printed on her check. I urge everyone to think carefully about this practice because unscrupulous people could access personal records if they have this number. Many members still list their area code as 619 although they live in areas that did change to 858. The next time you reorder checks, you might want to bring your area code up-to-date.

Thanks, Oceanids!!

When Oceanids paid me the great honor of naming me Oceanid of the Year, I was too astonished and overcome to express my deep appreciation. I simply did not feel worthy of that honor. Anyone who knows me knows I am rarely at a loss for words, but they failed me on this occasion. I joined the Friends of the UCSD Library while researching for my historical novel, then joined Oceanids in 1982. I enjoyed several of the interest groups, committing myself most to People-to-People. With my lifelong involvement in international education, I joined Friends of the International Center in 1984, and have dedicated my greatest efforts to its programs, rather neglecting my role as an Oceanids member. I have belonged to women's organizations on several campuses, and I especially appreciated Oceanids' willingness to accept members with no more direct connection with the university than membership in one of its support groups. Our inclusion is unique in my experience and contributes greatly to town-gown harmony and cooperation. I feel I was honored enough by this inclusion. I shall strive to be a better and more active member in the future.

With heartfelt thanks, Emily Stowell
