

Messrs. Murray & Fletcher, doing business under the name of the Cuyamaca Water Company,  
San Diego, California.

RECEIVED  
SEP 18 1913

Gentlemen:

I, the undersigned, hereby pay under the following protest the bills for water rental rendered me for the months of July and August, 1913, in the sum of \$ <sup>63</sup> 2. ....

My said protest is made upon the following grounds, to-wit:

That said Murray & Fletcher have taken no efficient steps pursuant to the order of the Commission made March 28, 1913, to increase the available supply of water to the use of which I am entitled. That such supply has dwindled down in July, 1913, to one-half of the amount to which I am entitled under my contract; and in August, 1913, to one-fourth of such supply. And that I am notified by you that after September 5, 1913, no water for irrigation but only for domestic uses will be furnished. That I am suffering loss and damage by reason of such short supply and am not receiving the consideration for any increase over my contract rate of rentals, which is involved in the order of the Railway Commission of the State of California requiring you to take immediate steps to increase such supply. That the service rendered to me from said Cuyamaca Water system since the order of the Railroad Commission is not better but far worse than has been known during the history of the system.

My said payment under protest is not to be considered as any waiver of my right to contest future demands or for damages for your failure to furnish water under the contract assumed by you.

Very Truly Yours,

*J. A. Armour*

That the service rendered to me from said Cuyamaca Water system since the order of the Railroad Commission is not better but far worse than has been known during the history of the system.

My said payment under protest is not to be considered as any waiver of my right to contest future demands or for damages for your failure to furnish water under the contract assumed by you.

Very Truly Yours,

*Henry Wilken*
