

"The Future of Computer Networking and Telecommunications in San Diego" Jan. 27-28

December 6, 1994

Media Contact: Dolores Davies, (619) 534-5994

CALENDAR ANNOUNCEMENT

"The Future of Computer Networking and Telecommunications in San Diego" will be the topic of a panel discussion at 7 p.m., Jan. 27 and a research symposium from 9 a.m. to 5 p.m., Jan. 28, at the Robinson Auditorium on the campus of the University of California, San Diego. The panelists, which will include computing and networking experts, will focus on San Diego Mayor Susan Golding's "City of the Future" Task Force. Members of the public are encouraged to attend these free events.
