ENDURES”

“THEN YOU’LL  
REMEMBER ME”

Mrs. Anita Patti Brown, has studied with me for  
some months and has in every way improved the standard  
of her singing. Her voice has gained in beauty and her  
interpretation is of a higher quality, owing to her capacity  
for hard work, her keenness and her intelligence.

I wish her every success in her career.

Miss Anita Patti Brown, has a  
rich soprano voice that served  
her well and won her plenty of  
favour.

The Daily Telegraph

Miss Patti Brown, sang a group  
with that ease, charm and per-  
fect diction we remember so  
well at the Kingsway.

The Chicago Defender

Patti has truly left the shallow  
waters of strugglers and placed  
herself in the deep waters of  
competents.

### MUSIC - "LUTHER"

David and all the Saints have wrought their godly thoughts in verse, rhyme and song.

Music is one of the fairest and most glorious gifts of God.

Music is the art of the prophets--the only art that can calm the agitations of the soul.

Music is a master which makes the people softer and milder, more polite and rational.

When Patti sang the rose leaves  
Fell quivering to the ground;  
The angels must have listened  
To the low and plaintive sound  
That came drifting, drifting to me  
And fell upon my ears  
Like snow flakes turned to music,  
And then melting into tears.

This beautiful tribute to Anita Patti Brown  
was sent to her with a request to again sing "The  
Last Rose of Summer" at the great Negro Festi-  
val at Atlanta, Ga.
