

San Diego June 3/66

George Orr

Do Sir

I received your letter of May 18th with enclosures.

I fear you have commenced to try to get your money from Mrs Lavator Kimble + Minter too late

Most of the account is over two years old and of course outlawed, though the account against the Estate of Lavator may not be too late but you must go before a Notary Public & have it put into the right shape & then make affidavit, so that it can

be presented to the Administrator according to law. If this is not done immediately you will not get a cent.

Mrs Kimble & Mrs Lanator are up the Country some where, San Francisco or Contra Costa.

John Minter has gone to Montana. I do not know when he will return.

The account against Mrs Kimble. I suppose is for a rifle sold to her Husband. If so you must make the account out against the Administrator in the same way as the other & swear to it.

If you sold the rifle to Mrs Kimble, the bill is made out

right.

If John Minters account is over two years old you cant collect any thing from him unless he chooses to pay. I hear he is expected home next fall.

Yours &c
E. W. Morse

There bills against the Estates of J. R. Lanator any Cyrus Kimble must be presented immediately.

Yours &c
E. W. Morse
