Always do your first people
as a reason it just not the
way any more. It's cap out &
people do learn in the
County & going to Arizona
I know for years to be known
in Russia for a long time.
The whole relationship thing
is for being possessive &
dominating. Let get out
& ~~the~~ ^{will} ~~work~~ ^{work}. The ego must
be conscious of the self itself
~~to~~ the Gurdgep in the
new boat by suspension
anyone who has been reached
Krishnamurti & is still with a
heavy load while - scene
is just no good. If you
want to plan up building
go ahead, but you won't
have the universe behind
you - it just won't work

they're going to that it just
a game. The women obviously
have to be liberated, but in a
very conscious manner.

So Thursday, I met with
the Health food store - gran juice
was indicated to me but I
the analysis is really for the birds
they're doing a lot of numbers
outside that window, still
following the smoke I proposed
2 years ago, worrying about
how much dope they have
in their bad pocket. The
place has no island with
- we've got a canal here
that needs sawing - I was
born in NY I know all
the shots, insult upon
injury, we've got them
really scared, it's people
baby, well you go for 50¢

or he with someone who'll take
you in your thin arms & I
was scared, it broadly
happened the middle
class are up against a wall
I let get to them before block
pauer does, they've got all
this information, all the
experience, our parents -
cure got to figure out
where they fucked up &
we'll fuck up to - ~~Christmas~~
as no easy trip but I made
it - its scary - everybody's worried
about who's going to jump on
on who next - the Black Panther
like if you can't beat them join
them, let's get out of here fast
I've hit the karma line of
completing my karma trip -
I've hit the 12th house -
I've really met the person

...you haven't met people
you feel were so definitely in
your karma? That's shame,
you've got to make it now,
Have you read the J. Book
the sea yet, what do you
think? It's like Atlantis &
Lemna. I'm like an advanced
agent of another culture ^(job #1 am) from
the future. We're battling for
this world back. I've got the
forces behind me - the triad -
a new mental thing - between
the 3 of us there always something
new - Atlantis is directly under
America. A man from the
3rd century taught me how
to time travel with some pieces
of the feet. Ah baby these so
good. I've looked into the Sly
I said Jupiter saved son of
Yanus & he did he

didn't want to make love to me,
just to meet to me + + some
travelers across the gout.

There are space ships - Jupiters
& Mars are landing places
Over sails are infinite, we've
been here before, like time
traveler, that's what the
soul is, ^(Zep #1 ear) then written the

beat of our lives, ... I never
hallucinated on acid (3 years)

You know the universe is
mind just floating around,
we're immersed - I know that's

a heavy torture trip, analyzed
my thought words - cropped
with my notes all the

cheapest game we've ever
through. - bones found in

Arizona, the oldest bones on
earth - In beginning to

think we populated through

being, from another planet,
not through self evolution.
Land where the Egyptians
were at, ^(first get water) they developed
geometry, I believe
unless it's explained its
land was not going to
have anything but
chemical left. Do you
know Brauer's early book down -
the atomic bomb explosion in
1945 - the age of aquatics
came in on 1953. ~~The year~~ the
Spradling - I can also rely
on them & their later works ^(2nd #1 grain)
later and someone must
give it to me - I hope I need
people & that's very important -
when I ^{first} saw them I just grabbed
them & held them - a human
being. I don't see anything ^{humane}
are learning - much help be

Uranian had just left his human
body & went back to where I came
from - no shadows of presence
myself (body - blue) The
moon our playground &
when you go up & find these
spots that are 10,000 years
behind your head of existence
- of us first we can't save the
world well as they do - for a
while I got into ^{HELPLESSNESS} the helplessness
& despair - there are space
ships fleeing elements from
other planets - they need an
earthling to tell them what was
wrong - Martians ^(light gets brighter) do all small
& travel on 2's ^(dit # 2 stars size) Jupiter look
like great gods - ^(light gets dim + bright) Venus
are beautiful women with
blue eyes - close to Venus -
the whole pain is working
on some kind of our form

My mother & ~~Benny~~'s mother &
Judy & ~~Benny~~'s sister & just
as the ~~phone~~ has been busy
tonight, I was ^{the memory} ~~working~~ on the
phone at the instant, so
who's wife whose head here.
So I said a friend had seen
~~Benny~~ on Monday & I in
the West Village only stayed
I should have said nothing
about where, ~~wherever~~
down by the river where the river
don't flow we can't go there
any more radio. Yesterday
Judy came knocking on the door.
The other ~~Benny~~ was there
& I didn't dressed in camel
pant, green sweater, brown
vest. I didn't want to answer
the door because I was
just pissed off they
had found me - the

Phone calls were enough -
beginning at 9:30 in the
morning! - So I didn't
answer the door, against
~~Brown's~~ **Brown's** advice, & I ~~was~~ went
downstairs - I saw her through
the window talking to a fellow
& had a moment of compassion
& almost called down for her
to come back up but I didn't so
she got the fuzz, the ones
crucial to this street - so
I wouldn't let them in but
let her in so she says she
called her mother & soon
came ~~Brown's~~ **Brown's** and 2 more
fuzz & was the furthest
to find the only ~~Brown's~~ **Brown's** there
was a perfect stranger to
him. I mean her. ~~Over~~
She comes on like
a hum - a ten on him

She freaked + threatened ~~me~~
with abuse on all counts -
relating to a minor - but
the police looked, found no
minor, no ~~may~~ - the bene-
Hamed for ~~Down~~, who come
~~to~~ today, ~~Down~~ was to
meet her at 7:30 + didn't
so she worried
me + got a watery bag from

She was a definite love
like so strong - a passionate
love that in me has been
dead for a long while it
started like I don't know
So Deon's here & Deon's sister
Jane & Deon's brother to Jane
husband Charlie & I am
wondering if personal therapy
might be the idea maybe it
shed. but I don't feel
anything - turned off - that
what hurt me I don't really
care - before I used to care
passionately & that turned me
on & I thought travelling I really do
care - is the right thing for
~~Be~~ I really do care
