See healing on phone. The day I  
fasted was rosh Hashanah.  
Well so I ~~got~~ ahead of schedule.  
~~Not my period on time~~ Not period  
next day, on schedule. Is that  
why. It's 3 days since healing.  
My dungs are a bit clear yet  
see blue shit I was on clear  
doubt I'll ever be able to put  
that on again. Well I'd worn  
an old one. See dark green leg  
of dungs on again. 2 days  
no med. Do I need med? oaf do  
magnific. meat lights up. Not  
yet. Yet light up, in air. Not on  
#1 arm.

Should I see <sup>palms</sup> today. Another day.  
New. New in air. First week.

Had dream about palms. She  
tried me to look in my address  
book where I would find  
a message to myself. It  
had something to do with  
printing corrections on the
