Scientists, Incorporated  
956 East Fifty-eighth Street  
Chicago 37, Illinois

Dear Dr. Brown:

Since talking to you and Dr. Szilard on Monday, I have discussed your proposals with my partner Jesse Fillman, who is a specialist in the tax law. He confirms the advice which I gave you on Monday.

Inasmuch as I promised Dr. Szilard some confirmation along these lines, and do not know his address, I would appreciate your passing the word along to him.

Sincerely yours,

*Edward F. Clark*

Dear Dr. Szilard:

It was very good of you to send me a copy of your memorandum of March 27. Your plans now seem to be taking definite shape, and the project looks extremely interesting.

Sincerely yours,

*Edward F. Clark*
