The REDI-RECORD SYSTEM OF SOCIAL SECURITY

"Nationally Approved by Accountants"

¶ The Redi-Record System of Social Security is recognized by Accountants as probably the most complete set-up in the country.

¶ It consists of 12 different Loose-Leaf payroll forms, each one for a separate purpose, 5 Individual Employee Record Sheets, each one different, and 19 bound books.

¶ There are weekly payrolls, monthly payrolls, semi-monthly payrolls, condensed payrolls, restaurant payrolls, simplified payrolls and payrolls in complete detail. There are bound books for the small user and loose-leaf for the large user. Accumulation columns are incorporated in the payroll sheets so that accumulated earnings can be seen at a glance. Cut-leaf sheets are incorporated to eliminate re-copying of names. All of the sheets carry overtime columns in accordance with Wage-Hour Requirements, and enough columns are included to take care of additional payroll taxes.

¶ Redi-Record Loose-Leaf Payroll Sheets can be obtained to fit a standard post binder, size 9¼ x 11⅞ (30 names to the page), or size 17 x 12 (60 names to the page). or 11 x 8½ (40 names to the page) punched to fit a standard 3-ring binder.

¶ Redi-Record Loose-Leaf Individual Employee Records come in two sizes only, 9¼ x 11⅞, punched to fit a standard post binder, and 11 x 8½ punched to fit a standard 3-ring binder. Forms for permanent help, for temporary help, one year form or two year form.

¶ Whatever the Social Security or Wage-Hour problem, Redi-Record has a form or a book to fit.

Mr. Robert Hellmeth
El Cajon, California

Dear Sir:

This confirms our understanding that you are purchasing a portion of Lot 51 of the "S" Tract, Rancho ElCajon, San Diego County, California, the North boundary being the State Highway No. 80, the West and South lines being the center of the road now constructed and oiled; the East line being approximately the row of trees, said property to be surveyed by a licensed surveyor and map recorded, approximately 5 or 6 acres.

The purchase price is $600.00 per acre, and you are to pay one-half of your gross wages during the next six months from date hereof to be credited on account of this purchase, same to constitute the down payment, when a regular form of contract will be made, with monthly payments of $40.00 each, which payments shall include interest at the rate of 5 percent per annum on unpaid balances.

Taxes to be pro rated as of this date.

When the full purchase price has been paid we will give you a clear deed and policy of title insurance, showing the property is free and clear of encumbrances, excepting easements and rights of way of record, and subject to County Ordinances, with the usual conditions placed in all deeds in that area as to race restrictions, and the exterior of all buildings on the property to be approved by us.

In case of failure to live up to this agreement during the first six months' period any payments made shall be considered liquidated damages and neither party shall have cause of action against the other in relation thereto. As long as this agreement is in force you are given permission to camp on the property, however in the occipancy thereof to observe all laws, ordinances rules and regulations of the United States and State of California and of all officers or boards authorized to make rules and regulations with reference thereto, and to keep the premises in good condition.

Time is of the essence.

Yours very truly,
ED FLETCHER COMPANY

Ed Fletcher Co.:

The above is satisfactory and accepted by me.

1. NEW CERTIFICATE REQUIRED.—The Individual Income Tax Act of 1944 revised the withholding exemptions *effective January 1, 1945*, and requires the filing of NEW certificates—

BY ALL EMPLOYEES—on or before December 1, 1944.

BY NEW EMPLOYEES—on or before beginning work.

BY EMPLOYEES WHOSE EXEMPTIONS DECREASE—within 10 days after such change.

2. CHANGES IN EXEMPTIONS.—You *may* file a new certificate at any time if the number of your exemptions increases.

You *must* file a new certificate within 10 days if the number of your exemptions *decreases* for any of the following reasons:

a. Your wife (or husband) for whom you have been claiming exemption either dies, is divorced, or claims her (or his) own exemption on a separate certificate.

b. The support of a dependent for whom you claimed exemption is taken over by someone else, so that you no longer expect to furnish more than half the support for the year.

c. You find that a dependent for whom you claimed exemption will receive $500 or more of income of his own during the year.

3. DEPENDENTS.—To qualify as your dependent (line III on other side), a person must (1) receive more than one-half of his or her support from you, (2) have less than $500 of income of his or her own during the year, and (3) be closely related to you. "Closely related" means that the person is—

Your son, daughter, or their descendants; stepson, stepdaughter, son-in-law, or daughter-in-law;

Your father, mother, or ancestor of either; stepfather, stepmother, father-in-law, or mother-in-law;

Your brother, sister, stepbrother, stepsister, half brother, half sister, brother-in-law, or sister-in-law;

Your uncle, aunt, nephew, or niece (but not if related only by marriage).

The above relationships apply to a legally adopted child the same as though he or she were a child by blood. Do not claim a citizen of a foreign country as a dependent unless he or she is a resident of the United States, Canada, or Mexico.

Penalties are imposed for willfully supplying false information or willful failure to supply information which would reduce the withholding exemption.
