CHANGE IN METHOD OF VOTING UNDER THE LIMITED PREFERENTIAL VOTING (LPV) SYSTEM

The National Parliament in August 2006 passed legislative changes to the Organic Law on National and Local level Government Elections. Among the changes, was the change in the manner of voting under the Limited Preferential Voting (LPV) system. The new legislative change will split the ballot paper into TWO separate documents. these two documents will be called a candidate poster and the actual ballot paper.

The slight change in the manner of voting under the LPV is a provision in law that has come into force on the 21st of September 2006 and as such will be implemented in the coming 2007 general elections.

Sections 124 and 125 of the Organic Law as amended, require a candidate poster and a ballot paper to be used in the elections.

Copies of the candidate poster will be given FREE to all aspiring candidates for the 2007 general election weeks in advance prior to the actual polling time. They can use that as campaign material, courtesy of the Electoral Commission.
