

Yvonne Rainer will present "This is the Story of a Woman and Man Who..."

May 7, 1973

Yvonne Rainer - Choreographer and dancer - one of the luminaries of the contemporary American dance scene, will present her new performance work, "This is the Story of a Woman and Man Who..." Saturday, May 12, at the University of California, San Diego.

The dance concert, which is free, will be presented at 8:30 p.m. in Building 408, Matthews Campus.

The work, performed by Ms. Rainer and John Erdman, reflects a new point in her interest in incorporating narrative into the theatrical mode, something which has characterized her dance for the last 10 years.

With the use of image, text, and sound in this 1 1/2 hour mixed-media work, Ms. Rainer advances an intimate psychological view of the dancer as a fictional character. As she has expressed it, "For me the body alone is no longer the main focus. I'm interested in private experience and the problems of projecting it"
