Dear Sir:

This case was written by you. The 1929 regular dividend amounted to \$610. with an extra of \$253.00, or a total of \$863.00.

The insured drew \$670.50 only, or enough to cover the quarterly premium.

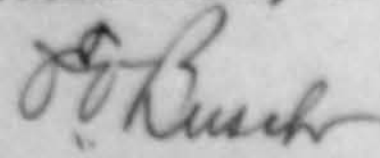

The Home Office will not allow us to carry part of a current dividend, and have instructed us to pay the balance of \$192.50.

Our check to the order of the insured for this amount is enclosed, which kindly deliver.

Very truly yours,

H. H. WAHRMUND, CASHIER

Appreciation Policy Department

Dear Sirs:

Your letter of the 22nd just received, also check for my wife, \$150.00, and check for my daughter, Edythe, for \$137.14. Total checks received,

John J. Donovan, \$125, \$75, \$50-\$250.00	
Francois G. Donovan	22.00
Mrs. John J. Donovan	150.00
Edythe Donovan	137.14
Total	\$559.14

All of us were hurt when our car turned over three times on Skyline Boulevard near San Bruno, Cal. I regret I cannot send you a picture of the car. I will say the largest part of the car that was left was the wheels.

Mrs. Donovan, my wife, and my daughters join me in thanking you for your prompt and generous settlement of our claims.

Our whole family, 8 of us, have been with your Company for years and this was our first accident. No family can afford to be without a policy in your Company as the fee is so small and your settlement is so generous.

Enclosed please find my check for \$16.00 for the renewal of the policies for each member of our family.

Very truly yours,

John J. Donovan

Attention: Mr. Willis H. Fletcher

Dear Wig:

In regard to liability coverages provided by our policy No. CCP 29694, written for Ed Fletcher and Mary C. B. Fletcher and the Ed Fletcher Co., together with other interests, there is coverage afforded for Cuyamaca Lodge and 8 cabins located on portion of lot "E", Rancho Cuyamaca, Cuyamaca Lake, San Diego County, California. We have named George Snodgrass and Adele Snodgrass as additional assureds on the policy as respects their interest in the premises.

It is my understanding that active management of this lodge and cabins is to change hands. Even tho this may be the case I would like to call your attention to Rule XIV, paragraph 1. of the Owners', Landlords' and Tenants' liability manual which states in effect that the rating procedure as respects this classification would be the same under any management and it would be rated under the same classification.

This is true of most dwelling classifications which take the same code number whether such premises are occupied or operated by the insured or by others.

If you have any questions regarding this rule, please call our office.

Sincerely,

THE PHOENIX INSURANCE CO.
