

A.E.J. Engel co-editor and contributor to:"Petrologic Studies: a Volume in Honor of A.F. Buddington"

January 16, 1963

A.E.J. Engel, Professor of Geology, School of Science and Engineering, University of California, San Diego, is co-editor and one of the contributors to a recently published technical volume in geology.

Dr. Engel and Harold L. James and B.F. Leonard of the U.S. Geological Survey, have edited the book, "Petrologic Studies; a Volume in Honor of A.F. Buddington, which was published by the Geological Society of America. Dr. Buddington is Blair Professor of Geology at Princeton.

Dr. Engel and Celeste Engel, his wife, have also contributed a chapter to the book. It is "Progressive Metamorphism and Amphibolite, Northwest Adirondack Mountains, New York".
