## Call for Programs: Womxn's Herstory Month

**Feb. 01 | Women's Center**

Womxn's Herstory Month is a time to intentionally make space for the stories that have been removed, ignored, or silenced from history. We must also actively acknowledge that the same systems that have diminished the

accomplishments of women throughout history have diminished the stories of all communities who experience gender marginalization.

This year's theme is Creating Our Feminist Future. Please submit potential programs for our Herstory Month calendar [here](#) by February 1st! Thank you!
