## STONEWALL RIOTS

### STONEWALL RIOTS BEGIN

When police raided Stonewall Inn on the morning of June 28, it came as a surprise—the bar wasn't tipped off this time.

Fed up with constant police harassment and social discrimination, angry patrons and neighborhood residents hung around outside of the bar rather than disperse, becoming increasingly agitated as the events unfolded and people were aggressively handled. At one point, an officer hit a lesbian over the head as he forced her into the paddy wagon — she shouted to onlookers to act, inciting the crowd to begin throw pennies, bottles, cobble stones, and other objects at the police.

Within minutes, a full-blown riot involving hundreds of people began. The police, a few prisoners, and a Village Voice writer barricaded themselves in the bar, which the mob attempted to set on fire after breaching the barricade repeatedly. Though the Stonewall uprising didn't start the gay rights movement, it was a galvanizing force for LGBT political activism, leading to numerous gay rights organizations, including the Gay Liberation Front, Human Rights Campaign, GLAAD (formerly Gay and Lesbian Alliance Against Defamation), and PFLAG (formerly Parents, Families and Friends of Lesbians and Gays).

## STONEWALL RIOTS

### STONEWALL INN

Stonewall Inn was registered as a type of private “bottle bar,” which did not require a liquor license because patrons were supposed to bring their own liquor. Club attendees had to sign their names in a book upon entry to maintain the club’s false exclusivity. The Genovese family bribed New York’s Sixth Police Precinct to ignore the activities occurring within the club.

Without police interference, the crime family could cut costs how they saw fit: The club lacked a fire exit, running water behind the bar to wash glasses, clean toilets that didn’t routinely overflow, and palatable drinks that weren’t watered down beyond recognition. What’s more, the Mafia reportedly blackmailed the club’s wealthier patrons who wanted to keep their sexuality a secret.

Nonetheless, Stonewall Inn quickly became an important Greenwich Village institution. It was large and relatively cheap to enter. It welcomed drag queens, who received a bitter reception at other gay bars and clubs. It was a nightly home for many runaways and homeless gay youths, who panhandled or shoplifted to afford the entry fee. And it was one of the few—if not the only—gay bar left that allowed dancing.

## STONEWALL RIOTS

### QUEER BARS: A PLACE OF REFUGE

The 1960s and preceding decades were not welcoming times for lesbian, gay, bisexual, and transgender (LGBT) Americans. For instance, solicitation of homosexual relations was illegal in New York City, and there was a criminal statute that allowed police to arrest people wearing less than three gender-appropriate articles of clothing.

For such reasons, LGBT individuals flocked to gay bars and clubs, places of refuge where they could express themselves openly and socialize without worry. However, the New York State Liquor Authority penalized and shut down establishments that served alcohol to known or suspected LGBT individuals, arguing that the mere gathering of homosexuals was “disorderly.”

Thanks to activists’ efforts, these regulations were overturned in 1966, and LGBT patrons could now be served alcohol. But engaging in gay behavior in public (holding hands, kissing, or dancing with someone of the same sex) was still illegal, so police harassment of gay bars continued and many bars still operated without liquor licenses—in part because they were owned by the Mafia.

## LGBTQ+ SAN DIEGO: VOLUNTEER OPPORTUNITIES STORIES OF STRUGGLES AND TRIUMPHS

The San Diego History Center, in partnership with the Lambda Archives, brings the first exhibition EVER in Balboa Park, focused on San Diego's LGBTQ+ community.

Titled LGBTQ+ San Diego: Stories of Struggles and Triumphs this will be the History Center's major exhibition of 2018 and will run to January 2020 with an estimated 250,000 visitors.

### EXHIBITION THEMES:

San Diego's LGBTQ+ community has faced both tragedy and triumph. This exhibition focuses on major community themes including:

- Identity - Who we are and how we define ourselves
- Persecution
- Pioneers who have helped shape our Region's LGBTQ+ Community
- Families we make and choose
- Where the San Diego LGBTQ+ Community is headed and the work that remains ahead

Visitors will hear from those in the LGBTQ+ region about the struggles to overcome persecution, the battle with AIDS, bullying, and intolerance, and the power of the community.

**CGS 122: Advanced  
Topics —Lady Avengers  
in Asian Cinema**

**Fall 2018, TuTh 2-3:20pm  
Prof. Kimberly Icreverzi**

Though action cinema tends to be thought of as an overwhelmingly masculine genre, this course takes up the figure of the "lady avenger," who shares a special association with Asian cinema. By pairing key films from across Asian cinema with feminist theory, this course investigates the stakes of these films' fantasies. We'll look to the sister of the femme fatale, the final girl, the bad girl, the violent girl, and the mean girl to question whether girls with guns—or more often in these films, swords—are feminists, asking: what can cinema avenge and for whom?
