Chavez: First of all I am going on a fast beginning now, for as long as it takes, and I'm going to offer myself for arrest, I'm going to the courthouse, I'm going to tell local police and the courts that we are not about, we're not about, come what may abide this unconstitutional act and that we are offering ourselves up for arrest, that we have no other course but to give our whole bodies and our spirits to the cause, I've asked teh people present, those who can, and will, and want to join me not in fasting, because they have to to be strong because they have a lot of picketing to do, but to join with me in going to jail.
