

STRIKING FARM WORKERS NEED YOUR HELP

Thousands are striking now in the fields of California to win union contracts. A nationwide boycott of table grapes and head lettuce has been called by the United Farm Workers of America, AFL-CIO. So far, endorsements and other support have been given by the following Torrington area unions: UAW-Local 1645, Local 1699, Local 507, Local 512, AFL-CIO-Local 24772, Local 1366, Local 1567, Local 1579, Local 225, IUE Local 247.

PLEASE COME TO THE A&P ON SAT. JUNE 15
TO SHOW SUPPORT FOR THE FARM WORKERS.

A&P profits from the sale of scab grapes and lettuce. They are the only major chain in Conn. that has refused to cooperate with the boycott. On June 15 throughout Conn. union people will be gathering at designated A&P stores to demonstrate support for striking farm workers. Join other area working people at the Torrington A&P on East Main St. on Sat. June 15 from 1-4 PM.
