

the FARM WORKERS UNION

has just opened an office at the corner of
6th St. and S.W. Avenue E (next to Nate's
Record Store).

The purpose of the Union is to help
all the people that work in the
fields to pull together and make
these farmers pay better money and
treat people right.

At the Union office you can get help
and information on a lot of things
like :

- * Workman's Compensation (if you get hurt on the job)
 - * Food Stamps
 - * Welfare
 - * Income Tax
 - * Social Security
 - * Lift-line
 - * or any other help that you might need
- We are open on Saturday and Sunday too.

Come on in any time !
