My friends, (E, H, R, R, D + M)

Just a few lines to say HELLO to each of you.

All is well here although busy. Do hope the same for you.

Tuesday of this week, with Rev. Frank O'Laughlin and Rev. Frank Smith, along with Steve Pearlman, I, we, spent the day in Belle Glade making all kinds of waves as the result of the migrant truck, carrying over 100 Jamacians, turning over and injuring everyone.

We were thrown out of the Glades Memorial Hospital by Dr. Baker in a wild confrontation in the lobby around 8:00PM with the Belle Glade Police in attendance. **AND BARED FOREVER!**

Hopefully, we did some good. I know that one of my main objectives, as well as the others, was to push the word of the UFWOC which I did.

Yesterday, I received three off the record calls from a Herald WBP reporter who was going to do an article on the basis of no compensation payments to similiar men hurt in an accdient one month ago.

By the way, although he may not want this mentioned, BUT I can't see why, so-----NIP was busted last Thursday with a \$9 Thou bond. Busted into his house at 2 in the AM. He is in good spirits although I may not be!!!

By the way, Roberto, how is the toaster????

Thats it for now, take care, hello to all and to you to Dorothy.

... yours in peace
Lawachia
