Re: UFW Legal Department Files

Dear Virginia:

This letter is to inform you that we have sent a shipment of seventy-three boxes to you. It is being sent via Consolidated Freightways and should take between one and two weeks to reach you.

There are two categories of files in this shipment. Three boxes of "California Legislation (1973 - 1975)" files are being sent. The remaining seventy boxes are closed litigation files. In the past two shipments of March and August, 1979, we sent Closed Litigation files Boxes 70 through 124. The ones being sent with this shipment are Boxes 1 through 69 (with a Box 10-A included).

I am enclosing an inventory of the Legislation files and a listing of the closed litigation files (along with a box/file reference sheet).

If there are any questions about these boxes, or if they do not reach you shortly, please let me know.

Finally, this should be the last massive shipment. I have appreciated your cooperation.

Sincerely,

Larry Abrams
