Re: UFW Legal Department Files

Dear Virginia:

This letter is being sent to inform you that a shipment of thirty-eight boxes is on its way to you. It was picked up by Consolidated Freightways this afternoon and should arrive within seven to ten days.

I am enclosing a complete inventory of the contents of the thirty-eight boxes. Being sent are the following:

- UFW Files - Arizona - 10 Boxes (79-1 - 79-10)
- UFW Files - 19 Boxes (79-25 - 79-43)
- Closed Litigation Files - 8 Boxes (117 - 124)
- UFW Documents - 1 Box (79-35)

Regarding "UFW Files", you received Boxes 79-1 to 79-24 in the April 1979 shipment (109 boxes). Regarding "Closed Litigation Files", you received Boxes 70 to 116 in the April 1979 shipment. (Boxes 1 to 69 of the Closed Litigation Files will be shipped within the next two weeks.) Regarding "UFW Documents", you received Boxes 79-1 to 79-34 with the same April 1979 shipment.

Also enclosed in Box 79-35 of UFW Documents are several rolls of microfilm that should be filed with microfilm sent previously from the Chavez v. Fitzsimmons law suit. This case is filed in Boxes 72 to 89 of the Closed Litigation Files sent previously. Also in Box 39-35 are miscellaneous cassette tapes. I leave to your discretion the placement of these tapes.

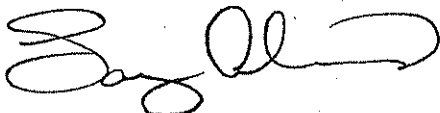

Finally, with the April 1979 shipment there were four boxes of pesticide files. We did not do an inventory before they were sent. If you have prepared an inventory, could we please receive a copy.

If you have any questions about any of the materials being sent,
or if you do not receive the shipment within a reasonable period
of time, please contact me.

I hope you enjoy receiving these files as much as I enjoy sending
them.

Sincerely,

A handwritten signature in cursive script, appearing to read "Larry Abrams".

Larry Abrams
