SCRIPPS INSTITUTION OF OCEANOGRAPHY ARCHIVES

Eppley, Richard Wayne 1931-

Richard Wayne Eppley Papers, 1970 - 1989

Physical Description: 4 rcc

Description: Biological oceanographer Richard Wayne Eppley worked on phytoplankton physiological ecology. At SIO, he was on the staff of the Food Chain Research Group. This accession consists of correspondence, reports and subject files, particularly on PRPOOS (Plankton Rate Processes in Oligotrophic Oceans) which he coordinated, and American Society of Limnology and Oceanography (ASLO).
