Henry, Marjorie Louise [1930 - 1989]

Marjorie Louise Henry Papers, 1953-1986

Bulk dates: 1970-1983

Physical Description: 5 archives boxes

Description: Marjorie Louise Henry served as the Sea-going Technician on the Deep Sea Drilling, Project from 1968-1986. Contents of the cartons consists of the GLOMAR CHALLENGER papers: personnel lists of the crew, diary entries, photos and slides at sea, cruise legs, program plans, supplies and expenses lists, index of geophysical data, and hole summary reports of the Deep Sea Drilling Project. There also exist folders of various ports of call to Mexico, Hawaii, Japan, Greece, and New Zealand. Personal items contained are photos, newspaper articles of her experiences, maps, floppy discs, journal of her hometown (Marysville, Ohio), memos, an award plaque, and buttons and tiles. Newspaper articles characterize her as "being the first female non-scientist on board the world's first deep sea drilling vessel."

Restrictions: Content in box 3, folder 24 is restricted until February 18, 2015.
