Jones, Alan Churchill 1927-

Alan Churchill Jones Slides, 1959, 1969

Physical Description: 627 35mm color slides

Description: The accession consists of 627 color 35mm slides taken by Alan Jones on two expeditions of the Scripps Institution of Oceanography: Vermilion Sea Expedition, April 13-May 29, 1959 to Mexico on R/V Spencer F. Baird and R/V Horizon and SCAN Expedition, 1969-1970 to the South Pacific on R/V Argo. The slides include images of scientists, work at sea, ports of call. Scan Expedition slides include images of Hawaii, Japan, Tahiti, Pitcairn Island, Bora Bora and Callao, Peru. The Pitcairn Island slides include images of the medical evacuation of Russell Raitt (who broke his leg while jumping into the Pitcairn long boat while leaving the island). The accession includes images of oceanographers and crew including Dale Newhouse, Russell Raitt, Uta Ritter, and George Shor.

Vermilion Sea Expedition (1959) ; Scientific expeditions ; California, Gulf of (Mexico); Shor, George G ; Newhouse, Dale ; Raitt, Russell W
