SCRIPPS INSTITUTION OF OCEANOGRAPHY ARCHIVES

Scripps Institution of Oceanography, Marine Life Research Program,
Office of the Director (Isaacs)

SIO Marine Life Research Program, Office of the Director (Isaacs)
Records, 1939-1980

Physical Description: 8 record center cartons

Description: The collection consists of the records of the SIO Marine Life Research Program, Office of the Director (Isaacs) and includes correspondence, research, reports and notes. Also known as the Marine Life Research Group, MLRG. Content includes materials on California Cooperative Oceanic Fisheries Investigations (CalCOFI), Sardine Conference and sardine research, Deep Moored Instrument Station, John Isaacs' Monster Camera photographs, North Pacific Ocean Project, NORPAX, North Pacific Study, Deep Current, and coelacanth materials.
