

Accession No.:97-03

PROCESSING RECORD
Scripps Institution of Oceanography Archives

Jerome Namias 1910-1997

Jerome Namias Papers, 1932-1989

Physical Description: 1 mss

Arrangement of Collection: chronological

Description: The accession consists of photocopies of letters received by climatologist Jerome Namias dated 1932-1989. The majority of this accession include letters written in the early 1930's documenting Namias' education and early career. The accession also includes letters to Namias written in 1964 when he recovered from a heart attack and an automobile accident and in 1971 when he retired from the National Oceanic and Atmospheric Administration.
